### **Who can vote at the Annual Meeting?**

Only shareholders of record at the close of business April 26, 2021 will be entitled to vote at the Annual Meeting. On the Record Date, there were 22,298,723 ordinary shares issued and outstanding. Each ordinary share entitles the holder to one vote with respect to each matter submitted to shareholders at the Annual Meeting.

#### *Shareholder of Record: Shares Registered in Your Name*

If on the Record Date your shares were registered directly in your name with our transfer agent, Computershare Trust Company, N.A of 150 Royall Street, Canton, Massachusetts 02021, then you are a shareholder of record.

As a shareholder of record, you may vote online at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to ensure your vote is counted by voting by proxy over the telephone or online as instructed below, or vote by proxy using a proxy card that you may request or that we may elect to deliver at a later time.

#### *Beneficial Owner: Shares Registered in the Name of a Broker or Bank*

If on the Record Date your shares were not held in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the shareholder of record for purposes of voting at the Annual Meeting. As a beneficial owner of your shares, you have the right to direct your broker or other agent as to how to vote the shares in your account. As a beneficial owner, you are invited to attend the Annual Meeting, however, since you are not the shareholder of record, you may not vote your shares online at the Annual Meeting unless you request and obtain a valid proxy from your broker or other agent.

### **What am I voting on?**

This proxy statement describes the proposals on which we would like you, as a shareholder, to vote at the Annual Meeting. This proxy statement provides you with information on the proposals, as well as other information about us, so that you can make an informed decision as to whether and how to vote your shares.

At the Annual Meeting, shareholders will act upon the following four proposals:

- |                   |  |
|-------------------|--|
| <u>Proposal 1</u> | To elect to the Board of Directors the following eight nominees presented by the Board: Arie Belldegrun, Elizabeth Barrett, Cynthia M. Butitta, Fred E. Cohen, Kathryn E. Falberg, Stuart Holden, Ran Nussbaum and Shawn C. Tomasello. |

| <u>Proposal 3</u> | To approve, on an advisory basis, the compensation of the Company’s named executive officers, as disclosed in this proxy statement.  |
| <u>Proposal 4</u> | To approve the engagement of PricewaterhouseCoopers LLP, an independent registered public accounting firm, as the Company’s auditor until our 2022 annual meeting of shareholders.   |

**What if another matter is properly brought before the Annual Meeting?**

As of the date of this proxy statement, our Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, it is the intention of your proxyholder (identified on your proxy card) to vote on those matters in accordance with their best judgment.

**How do I vote?**

You may either vote "For" all the nominees to the Board or you may "Withhold" your vote for any nominee you specify. With regard to your advisory vote on the compensation of our Directors and named executive officers, you may vote "For" or "Against" such advisory approval, or you may abstain from voting on that matter. For each of the other matters to be voted on, you may vote "For" or "Against" or abstain from voting.

*Shareholder of Record: Shares Registered in Your Name*

If you are a shareholder of record, you may vote online before or at the Annual Meeting, vote by proxy over the telephone or online, or vote by proxy using the proxy card included in this mailing. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the Annual Meeting. If you attend the Annual Meeting and decide to vote online during the Annual Meeting even if you have already voted by proxy, you must at the Annual Meeting first revoke your proxy and then vote online pursuant to the provided instructions.

- To vote online during the Annual Meeting, follow the provided instructions to join the Annual Meeting at [www.meetingcenter.io/250586249](http://www.meetingcenter.io/250586249), starting at 10:00 a.m. Eastern Time on Monday, June 7, 2021. The webcast will open prior to the start of the Annual Meeting and we recommend that you log in a few minutes before the Annual Meeting to ensure you are logged in when the Annual Meeting begins.
- To vote using the proxy card, simply complete, sign and date the proxy card delivered to you (if any) and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.
- To vote over the telephone, dial toll-free 1-800-652-VOTE (8683) using a touch-tone phone and follow the recorded instructions. You will be asked to provide the company number and control number from the proxy card.

*Beneficial Owner: Shares Registered in the Name of Broker, Bank or Other Nominee*

If you are a beneficial owner of shares registered in the name of your broker, bank, or other nominee, you should have received information containing voting instructions from that organization rather than from us. Simply follow the voting instructions to ensure that your vote is counted. To vote online at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other nominee. Follow the instructions from your broker, bank or other nominee included with these proxy materials, or contact your broker, bank or other nominee to request a proxy form.

**How many votes do I have?**

On each matter to be voted upon, you have one vote for each ordinary share you owned as of the Record Date.

**What happens if I do not vote?***Shareholder of Record: Shares Registered in Your Name*

If you are a shareholder of record and do not vote by completing your proxy card, by telephone, or online at or before the Annual Meeting, your shares will not be voted.

*Beneficial Owner: Shares Registered in the Name of Broker or Bank*

If you are a beneficial owner of shares registered in the name of your broker, bank, or other nominee (sometimes referred to as shares held in “street name”) and you do not provide instructions how to vote your shares, your broker, bank or other nominee may still be able to vote your shares in its discretion.

**What if I return a proxy card or otherwise vote but do not make specific choices?**

If you return a signed and dated proxy card or otherwise vote without marking voting selections, your shares will be voted, as applicable:

- “**For**” the election to the Board of Directors the following eight nominees presented by the Board: Arie Beldegrun, Elizabeth Barrett, Cynthia M. Butitta, Fred E. Cohen, Kathryn E. Falberg, Stuart Holden, Ran Nussbaum and Shawn C. Tomasello.

- “**For**” the approval of the engagement of PricewaterhouseCoopers LLP, an independent registered public accounting firm as the Company’s independent auditor until our 2022 Annual Meeting of Shareholders.

If any other matter is properly presented at the Annual Meeting, your proxyholder (named on your proxy card) will vote your shares using their best judgment.

**Who is paying for this proxy solicitation?**

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our Directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Our Directors and employees will not be paid any additional compensation for soliciting proxies. If we decide to engage a solicitation firm, we expect to pay customary fees not to exceed \$15,000 plus out-of-pocket expenses. We may also reimburse brokerage firms, banks and other nominees for the cost of forwarding proxy materials to beneficial owners.

**What does it mean if I receive more than one set of proxy materials?**

If you receive more than one set of proxy materials, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on the proxy cards in the proxy materials to ensure that all of your shares are voted.

### **Can I change my vote after submitting my proxy?**

#### *Shareholder of Record: Shares Registered in Your Name*

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

- You may grant a subsequent proxy by telephone or online.
- You may send a timely written notice that you are revoking your proxy to our Corporate Secretary at UroGen Pharma Ltd., 400 Alexander Park Drive, 4<sup>th</sup> Floor, Princeton, New Jersey 08540.
- You may remotely attend the Annual Meeting and vote online at the meeting. Simply attending the Annual Meeting will not, by itself, revoke your proxy. Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or voting instructions or vote by telephone or online so that your vote will be counted if you later decide not to attend the Annual Meeting.

Your most current proxy card or telephone or Internet proxy is the one that is counted.

#### *Beneficial Owner: Shares Registered in the Name of Broker or Bank*

If your shares are held by your broker, bank or other nominee, you should follow the instructions provided by your broker, bank or other nominee.

### **When are shareholder proposals and director nominations due for next year's annual meeting?**

From time to time, shareholders may present proposals, including to nominate a candidate to serve on the Board of the Company, that may be proper subjects to add to the agenda for consideration at a general meeting of shareholders. Under Section 66(b) of the Companies Law and the regulations thereto, shareholders who hold, in the aggregate, at least 1% of the voting power in the Company may submit a request to include an item to the agenda within seven days following the Company's notice of convening a shareholders' general meeting at which Directors are to be elected and certain other proposals are to be considered (or within three days of the Company's notice in other instances), *provided* the requested item is appropriate for presentation at a general meeting and for consideration by the shareholders.

In addition to the eligibility requirements under the Companies Law, our articles of association specify additional procedural requirements for shareholder proposals. Under our articles of association, a proposal must be delivered, either in person or by certified mail, postage prepaid, and received by us, (i) in the case of a general meeting that is an annual meeting, no less than 60 days nor more than 120 days prior to the date of the first anniversary of the preceding year's annual meeting, provided, however, that, in the event that the date of the annual general meeting is advanced more than 30 days prior to or delayed by more than 30 days after the anniversary of the preceding year's annual general meeting, notice by the proposing shareholder, in order to be timely, must be received no earlier than the close of business 120 days prior to such annual general meeting and no later than the close of business on the later of 90 days prior to such annual general meeting or the 10th day following the day on which public announcement of the date of such annual general meeting is first made, and (ii) in the case of a general meeting that is an extraordinary meeting, no earlier than 120 days prior to such extraordinary general meeting and no later than the close of business on the later of 60 days prior to such extraordinary general meeting or the 10th day following the day on which public announcement of the date of such general meeting is first made, subject to applicable law.

Under our articles of association, any shareholder entitled under applicable law to make a shareholder proposal, as described above, may make such proposal only if a written notice of such shareholder's intent to make such proposal shall have been given to the chief executive officer of the Company within the periods set out in the prior paragraph.

Each such notice shall set forth: (i) the name and address of the shareholder making the request; (ii) a representation that the shareholder is a holder of shares of the Company entitled to vote at such meeting and intends to appear in person or by virtual attendance, as applicable, or by proxy at the meeting; (iii) a description of all arrangements or understandings between the shareholder and any other person or persons (naming such person or persons) in connection with the subject which is requested to be included in the agenda; (iv) a description of all derivative transactions (as defined in our articles of association) by the shareholder during the previous 12 month period, including the date of the transactions and the class, series and number of securities involved in, and the material economic terms of, such transaction; and (v) a declaration that all the information that is required under the Companies Law and any other applicable law to be provided to the Company in connection with such subject, if any, has been provided. Furthermore, the Board, may, in its discretion, to the extent it deems necessary, request that the shareholder provide additional information necessary so as to include a subject in the agenda of a general meeting.

In addition, shareholder proposals may be submitted for inclusion in a proxy statement under Rule 14a-8 under the Securities Exchange Act of 1934, as amended, or the Exchange Act. Under Rule 14a-8 of the Exchange Act, to be eligible for inclusion in the Company's proxy materials for the 2022 Annual General Meeting of Shareholders, shareholder proposals must be received by the Company no later than December 29, 2021, which is 120 days prior to the 12-month anniversary of the date this proxy statement was first released to shareholders with respect to the 2021 Annual Meeting of Shareholders. In addition, Rule 14a-8 proposals must otherwise comply with the requirements of the rule.

Additional requirements regarding shareholder proposals submitted for inclusion in the Company's proxy materials for an annual general meeting can be found in the articles of association, which is available as an exhibit to our Annual Report on Form 10-K for the year ended December 31, 2020, as filed on March 18, 2021. Proposals should be addressed to: UroGen Pharma Ltd., 400 Alexander Park Drive, 4<sup>th</sup> Floor, Princeton, New Jersey 08540.

#### **How are votes counted?**

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count, for the proposal to elect Directors, votes "For," "Withhold" and broker non-votes; and, with respect to all other proposals, votes "For" and "Against," abstentions and, if applicable, broker non-votes.

#### **What are "broker non-votes"?**

When a beneficial owner of shares held in "street name" does not give instructions to his or her broker, bank or nominee holding the shares as to how to vote on a non-routine matter, the broker, bank or nominee cannot vote the shares. These unvoted shares are counted as "broker non-votes." Proposals 1 and 2 are considered to be non-routine and we, therefore, expect broker non-votes to exist in connection with those proposals.

*As a reminder, if you a beneficial owner of shares held in "street name," in order to ensure your shares are voted in the way you would prefer, you must provide voting instructions to your broker or nominee holding the shares by the deadline provided in the materials you receive from your broker or nominee.*

### How many votes are needed to approve each proposal?

On each proposal to be voted upon, shareholders have one vote for each ordinary share owned as of the Record Date. Votes will be counted by the inspector of election. The following table summarizes vote requirements and the effect of abstentions and broker non-votes:

<u>Proposal Number</u>	<u>Proposal Description</u>	<u>Vote Required for Approval</u>	<u>Effect of Abstentions</u>	<u>Effect of Broker Non-Votes</u>
1	The election to the Board of Directors the following eight nominees presented by the Board: Arie Beldegrun, Elizabeth Barrett, Cynthia M. Butitta, Fred E. Cohen, Kathryn E. Falberg, Stuart Holden, Ran Nussbaum and Shawn C. Tomasello.	Nominees receiving the most <b>FOR</b> votes will be elected as Directors. Directors will be elected by a plurality of the votes cast at the Annual Meeting by the holders of shares present in person or represented by proxy and entitled to vote on the election of Directors.	<b>Withheld</b> votes have no effect	None
2	To approve an amendment to the Company's 2017 Equity Incentive Plan to increase the number of ordinary shares authorized for issuance under the plan by 400,000 shares.	<b>FOR</b> votes from the holders of a majority of shares present by remote attendance or represented by proxy and entitled to vote on the matter.	None	None
3	Advisory approval of the compensation of the Company's named executive officers.	<b>FOR</b> votes from the holders of a majority of shares present by remote attendance or represented by proxy and entitled to vote on the matter.	None	None
4	To approve the engagement of PricewaterhouseCoopers LLP, an independent registered public accounting firm as the Company's independent auditor until our 2022 Annual Meeting of Shareholders.	<b>FOR</b> votes from the holders of a majority of shares present by remote attendance or represented by proxy and entitled to vote on the matter.	None	None <sup>(1)</sup>

---

(1) This proposal is considered to be a "routine" matter. Accordingly, if you hold your shares in "street name" and do not provide voting instructions to your broker or nominee that holds your shares, your broker or nominee has discretionary authority to vote your shares on this proposal.

**What is the quorum requirement?**

A quorum of shareholders is necessary to hold a valid annual meeting. A quorum will be present if at least two (2) shareholders who hold, in the aggregate, at least thirty-three and one-third percent (33 1/3%) of the voting rights in the Company are present at the Annual Meeting via remote attendance or represented by proxy. On the Record Date, there were 22,298,723 shares outstanding and entitled to vote. Thus, the holders of at least 7,432,908 shares must be present via remote attendance or represented by proxy at the Annual Meeting to have a quorum. Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote online at the Annual Meeting. If there is no quorum, the holders of a majority of shares present at the Annual Meeting via remote attendance or represented by proxy may adjourn the Annual Meeting to another date.

Under Israeli law, if a quorum is present via remote attendance or by proxy, broker non-votes and abstentions will have no effect on whether the requisite vote is obtained, as they do not constitute present and voting shares.

**How can I find out the Annual Meeting voting results?**

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the Annual Meeting. If final voting results are not available to us in time to file a current report on Form 8-K within four business days after the Annual Meeting, we intend to file a current report on Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional current report on Form 8-K to publish the final results.

## **INFORMATION REGARDING THE BOARD OF DIRECTORS AND ENVIRONMENTAL, SOCIAL AND CORPORATE GOVERNANCE**

### **Board Leadership Structure**

Our Board has an independent Chair, Arie Beldegrun, M.D., FACS who has authority, among other things, to preside over Board meetings, and shall have such powers and duties as may from time to time be assigned by the Board. Accordingly, the Chair has substantial ability to shape the work of the Board. We believe that separation of the positions of Chair and Chief Executive Officer reinforces the independence of the Board in its oversight of our business and affairs. In addition, we believe that having an independent Chair creates an environment that is more conducive to objective evaluation and oversight of management's performance, increasing management accountability and improving the ability of our Board to monitor whether management's actions are in our best interests and those of our shareholders. As a result, we believe that having an independent Chair can enhance the effectiveness of our Board as a whole.

### **Independence of the Board of Directors**

Applicable Nasdaq rules require a majority of a listed company's Directors to be comprised of independent directors within one year of listing. In addition, Nasdaq rules require that, subject to specified exceptions, each member of a listed company's Audit, Compensation and Nominating and Corporate Governance Committees be independent and that Audit Committee members also satisfy independence criteria set forth in Rule 10A-3 under the Exchange Act of 1934, as amended, or the Exchange Act. The Nasdaq independence definition includes a series of objective tests, such as that the director is not, and has not been for at least three years, one of our employees, that neither the director nor any of his family members has engaged in various types of business dealings with us and that the director is not associated with the holders of more than 5% of our ordinary shares. In addition, under applicable Nasdaq rules, a director will only qualify as an "independent director" if, in the opinion of the listed company's Directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Our Directors has determined that all of our Directors, except Ms. Barrett, are independent directors, as defined under applicable Nasdaq rules. In making such determination, our Directors considered the relationships that each such non-employee director has with our company and all other facts and circumstances that our Directors deemed relevant in determining his or her independence, including the beneficial ownership of our capital stock by each non-employee director.

There are no family relationships among any of our Directors or executive officers.

### **Role of the Board in Risk Oversight**

One of the key functions of our Directors is informed oversight of our risk management process. Our Directors do not have a standing risk management committee, but rather administers this oversight function directly through the Directors as a whole, as well as through various standing committees of our Directors that address risks inherent in their respective areas of oversight. In particular, our Directors is responsible for monitoring and assessing strategic risk exposure and our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The Compliance Committee of our Directors is responsible for overseeing our implementation of compliance programs, policies and procedures that are designed to respond to the various compliance, legal and regulatory risks we may face, as well as making recommendations to the Board regarding compliance with such legal and regulatory risks. The Compliance Committee also assists the Audit Committee in fulfilling their oversight responsibility for the Company's risk assessment and risk management activities relating to the integrity of our financial statements and is responsible for assisting our compliance officer in fulfilling his/her responsibilities. Both the Board as a whole and the various standing committees receive periodic reports from the standing committees, as well as incidental reports as matters may arise. It is the responsibility of the committee chairs to report findings regarding material risk exposures to the Board as quickly as possible. Separately, as a result of the COVID-19 pandemic, we have and may in the future

experience disruptions that could severely impact our business, preclinical studies, clinical trials and commercial operations. Given the evolving nature of the pandemic, our senior management and our Board of Directors are communicating and meeting more frequently to monitor potential business impacts and further strategic planning.

## PROPOSAL 2

### TO APPROVE AN AMENDMENT TO THE COMPANY'S 2017 EQUITY INCENTIVE PLAN

#### **Background**

On March 17, 2021, our Board amended the UroGen Pharma Ltd. 2017 Equity Incentive Plan, as amended (the "2017 Plan"), subject to shareholder approval, to increase the number of ordinary shares authorized for issuance under the 2017 Plan by 400,000 shares. We refer to the 2017 Plan, as amended on March 17, 2021 as the "Amended 2017 Plan" throughout this proxy statement. References in this proposal to our Board include the Compensation, Nominating and Corporate Governance Committee of the Board, where applicable.

#### **Why We Are Asking our Shareholders to Approve the Amended 2017 Plan**

Currently, we maintain the 2017 Plan to grant stock options, restricted stock units and other stock awards in order to provide long-term incentives to our employees, consultants and directors. Approval of the Amended 2017 Plan by our shareholders will allow us to continue to grant stock options, restricted stock unit awards and other awards at levels determined appropriate by our Board or Compensation, Nominating and Corporate Governance Committee. The Amended 2017 Plan allows us the potential to utilize a broad array of equity incentives and performance cash incentives in order to secure and retain the services of our employees, directors and consultants, and to provide long-term incentives that align the interests of our employees, directors and consultants with the interests of our shareholders. Our Board believes that the Amended 2017 Plan is an integral part of our long-term compensation philosophy and the Amended 2017 Plan is necessary to continue providing the appropriate levels and types of equity compensation for our employees.

#### **Requested Shares**

Subject to adjustment for certain changes in our capitalization, if this Proposal 2 is approved by our shareholders, the aggregate number of ordinary shares that may be issued under the Amended 2017 Plan will not exceed the sum of (i) 1,400,000 shares initially reserved under the 2017 Plan, (ii) 250,167 shares added to the 2017 Plan pursuant to automatic increases pursuant to the provisions of the 2017 Plan (iii) 1,900,000 shares added to the 2017 Plan in August 2018 pursuant to the approval of the Board and our shareholders, (iii) 400,000 shares added to the 2017 Plan in April 2020 pursuant to the approval of the Board and our shareholders, and (iv) 400,000 newly requested shares.

#### **Why We Believe It's Important to Vote to Approve the Amended 2017 Plan**

##### *Equity Awards Are an Important Part of Our Compensation Philosophy*

Our Board believes that our future success depends, in large part, on our ability to maintain a competitive position in attracting, retaining and motivating key personnel, consultants and advisors. The Board believes that the issuance of equity awards is a key element underlying our ability to attract, retain and motivate key personnel, consultants and advisors, and better aligns the interests of our personnel, consultants and advisors with those of our shareholders. The Amended 2017 Plan will allow us to continue to provide performance-based incentives to our eligible employees, consultants and advisors. Therefore, the Board believes that the Amended 2017 Plan is in the best interests of the Company and its shareholders and recommends a vote in favor of this Proposal 2.

### *The Size of Our Share Reserve Request Is Reasonable*

As of March 31, 2021, we had 1,115,937 shares available for grant under the 2017 Plan. If the Amended 2017 Plan is approved by our shareholders, we will have an additional 400,000 shares available for grant after our annual meeting. We anticipate this to be a pool of shares necessary to provide a predictable amount of equity for attracting, retaining, and motivating employees. The size of our request is also reasonable in light of the equity granted to our employees and Directors over the past year. If the Amended 2017 Plan is not approved by our shareholders, the existing 2017 Plan will continue in effect, but we will be limited in the grants that we will be able to make, which could place us in a disadvantageous position as compared with our competitors.

### *We Manage Our Equity Incentive Award Use Carefully, and Dilution Is Reasonable*

We continue to believe that equity awards such as stock options and restricted stock unit awards are a vital part of our overall compensation program. Our compensation philosophy reflects broad-based eligibility for equity incentive awards. However, we recognize that equity awards dilute existing shareholders, and, therefore, we must responsibly manage the growth of our equity compensation program. We are committed to effectively monitoring our equity compensation share reserve, including our “burn rate,” to ensure that we maximize shareholders’ value by granting the appropriate number of equity incentive awards necessary to attract, reward, and retain employees. The tables below show our responsible overhang and burn rate percentages.

## Key Plan Features

The Amended 2017 Plan includes provisions that are designed to protect our shareholders' interests and to reflect corporate governance best practices including:

- *Repricing is not allowed without shareholder approval.* The Amended 2017 Plan prohibits the repricing of outstanding stock options and stock appreciation rights and the cancellation of any outstanding stock options or stock appreciation rights that have an exercise or strike price greater than the then-current fair market value of our ordinary shares in exchange for cash or other stock awards under the Amended 2017 Plan without prior shareholder approval.
- *Shareholder approval is required for additional shares.* The Amended 2017 Plan does not contain an annual "evergreen" provision. The Amended 2017 Plan authorizes a fixed number of shares, so that shareholder approval is required to issue any additional shares, allowing our shareholders to have direct input on our equity compensation programs.
- *No liberal change in control provisions.* Our Amended 2017 Plan does not provide for single-trigger acceleration in the event of a change in control transaction.
- *No discounted stock options or stock appreciation rights.* All stock options and stock appreciation rights must have an exercise price equal to or greater than the fair market value of our ordinary shares on the date the stock option or stock appreciation right is granted.
- *Submission of amendments to the Amended 2017 Plan to shareholders.* The Amended 2017 Plan requires shareholder approval for material amendments to the Amended 2017 Plan, including, as noted above, any increase in the number of shares reserved for issuance under the Amended 2017 Plan.
- *Flexibility in designing equity compensation scheme.* The Amended 2017 Plan allows us to provide a broad array of equity incentives, including traditional option grants, stock appreciation rights, restricted stock awards, restricted stock unit awards, performance stock awards, other stock awards and performance cash awards. By providing this flexibility, we can quickly and effectively react to trends in compensation practices and continue to offer competitive compensation arrangements to attract and retain the talent necessary for the success of our business.

- *Broad-based eligibility for equity awards.* We grant equity awards to a large portion of our employees. By doing so, we tie our employees' interests with shareholder interests and motivate our employees to act as owners of the business.
- *Awards subject to forfeiture/clawback.* Awards granted under the Amended 2017 Plan will be subject to recoupment in accordance with the Company's current clawback policy (as further described elsewhere in this proxy statement), and any clawback policy that we are required to adopt pursuant to the listing standards of any national securities exchange or association on which our securities are listed or as is otherwise required by the Dodd-Frank Wall Street Reform and Consumer Protection Act or other applicable law. In addition, we may impose other clawback, recovery or recoupment provisions in an award agreement, including a reacquisition right in respect of previously acquired shares or other cash or property upon the occurrence of cause.
- *Administration by independent committee.* The Amended 2017 Plan will be administered by the members of our Compensation, Nominating and Corporate Governance Committee, all of whom are "non-employee directors" within the meaning of Rule 16b-3 under the Exchange Act and "independent" within the meaning of the Nasdaq listing standards.

### **Description of the Amended 2017 Plan**

The material features of the Amended 2017 Plan are described below. The following description of the Amended 2017 Plan is a summary only and is qualified in its entirety by reference to the complete text of the Amended 2017 Plan. Shareholders are urged to read the actual text of the Amended 2017 Plan in its entirety, which is appended as Appendix A to the copy of this proxy statement filed with the SEC, which may be accessed from the SEC's website at [www.sec.gov](http://www.sec.gov).

*General.* The Amended 2017 Plan provides for the grant of incentive stock options to our employees and for the grant of nonstatutory stock options, stock appreciation rights, restricted stock awards, restricted stock unit awards, performance stock awards, performance cash awards, and other forms of stock awards to our employees, Directors and consultants.

*Authorized Shares.* The maximum number of shares that may be issued under the Amended 2017 Plan is 4,350,167. The maximum number of ordinary shares that may be issued upon the exercise of incentive stock options under the Amended 2017 Plan is 5,600,000. Shares subject to awards granted under the Amended 2017 Plan that expire or terminate without being exercised in full, or that are paid out in cash rather than in shares, do not reduce the number of shares available for issuance under the Amended 2017 Plan. Additionally, shares issued pursuant to awards under the Amended 2017 Plan that we repurchase or that are forfeited, as well as shares used to pay the exercise price of a stock award or to satisfy the tax withholding obligations related to a stock award, become available for future grant under the Amended 2017 Plan.

*Plan Administration.* Our Board, or a duly authorized committee of our Board, administers the Amended 2017 Plan. Our Board may also delegate to one or more of our officers the authority to (1) designate employees (other than officers) to receive specified stock awards and (2) determine the number of shares subject to such stock awards. Under the Amended 2017 Plan, our Board has the authority to determine the terms of awards, including recipients, the exercise, purchase or strike price of stock awards, if any, the number of shares subject to each stock award, the fair market value of a share, the vesting schedule applicable to the awards, together with any vesting acceleration, the form of consideration, if any, payable upon exercise or settlement of the award and the terms of the award agreements.

*Section 162(m) Limits.* At such time as necessary for compliance with Section 162(m) of the Code, no participant may be granted stock awards covering more than 500,000 of our ordinary shares under the Amended 2017 Plan during any calendar year pursuant to stock options, stock appreciation rights and other stock awards whose value is determined by reference to an increase over an exercise price or strike price of at least 100% of the fair market value of our ordinary shares on the date of grant. Additionally, no participant may be granted in a calendar year a

performance stock award covering more than 500,000 of our ordinary shares or a performance cash award having a maximum value in excess of \$3.0 million under the Amended 2017 Plan. These limitations were previously included in the 2017 Plan to allow us to grant compensation that would not be subject to the \$1,000,000 annual limitation on the income tax deductibility of compensation paid to a covered executive officer imposed by Section 162(m) of the Code. As noted in the section of the Compensation Discussion and Analysis portion of this annual proxy entitled “Tax and Accounting Implications,” this exemption from Section 162(m)’s deduction limit for performance-based compensation has generally been repealed, effective for taxable years beginning after December 31, 2017. Despite this change in tax law, we have chosen to retain the limits in the Amended 2017 Plan. The presence of these limits (and other references to 162(m) in the Amended 2017 Plan) should not be taken to mean that the performance-based exemption will be applicable to awards under the Amended 2017 Plan, as it will indeed not be applicable.

*Stock Options.* Incentive stock options and nonstatutory stock options are granted pursuant to stock option agreements adopted by the plan administrator. The plan administrator determines the exercise price for stock options, within the terms and conditions of the Amended 2017 Plan, provided that the exercise price of a stock option generally cannot be less than 100% of the fair market value of a share on the date of grant. Options granted under the Amended 2017 Plan vest at the rate specified in the stock option agreement as determined by the plan administrator.

*Restricted Stock Unit Awards.* Restricted stock unit awards are granted pursuant to restricted stock unit award agreements adopted by the plan administrator. Restricted stock unit awards may be granted in consideration for any form of legal consideration that may be acceptable to our Board, or a duly authorized committee of our Board, and permissible under applicable law. A restricted stock unit award may be settled by cash, delivery of stock, a combination of cash and stock as deemed appropriate by the plan administrator or in any other form of consideration set forth in the restricted stock unit award agreement. Additionally, dividend equivalents may be credited in respect of shares covered by a restricted stock unit award. Except as otherwise provided in the applicable award agreement, restricted stock units that have not vested will be forfeited upon the participant’s cessation of continuous service for any reason.

*Restricted Stock Awards.* Restricted stock awards are granted pursuant to restricted stock award agreements adopted by the plan administrator. A restricted stock award may be awarded in consideration for cash, check, bank draft or money order, past services to us or any other form of legal consideration that may be acceptable to our Board, or a duly authorized committee of our Board, and permissible under applicable law. The plan administrator determines the terms and conditions of restricted stock awards, including vesting and forfeiture terms. If a participant’s service relationship with us ceases for any reason, we may receive through a forfeiture condition or a repurchase right any or all of the shares held by the participant that have not vested as of the date the participant terminates service with us.

*Stock Appreciation Rights.* Stock appreciation rights are granted pursuant to stock appreciation grant agreements adopted by the plan administrator. The plan administrator determines the purchase price or strike price for a stock appreciation right, which generally cannot be less than 100% of the fair market value of a share on the date of grant. A stock appreciation right granted under the Amended 2017 Plan vests at the rate specified in the stock appreciation right agreement as determined by the plan administrator.

*Performance Awards.* The Amended 2017 Plan permits the grant of performance-based stock and cash awards. Our Compensation, Nominating and Corporate Governance Committee may structure awards so that the stock or cash will be issued or paid only following the achievement of certain pre-established performance goals during a designated performance period.

*Other Stock Awards.* The plan administrator may grant other awards based in whole or in part by reference to our shares. The plan administrator will set the number of shares under the stock award and all other terms and conditions of such awards.

*Changes to Capital Structure.* In the event there is a specified type of change in our capital structure, such as a stock split, reverse stock split or recapitalization, appropriate adjustments will be made to (1) the class and maximum number of shares reserved for issuance under the Amended 2017 Plan, (2) the class and maximum number of shares that may be issued upon the exercise of incentive stock options, (3) the class and maximum number of shares subject to stock awards that can be granted in a calendar year and (4) the class and number of shares and exercise price, strike price or purchase price, if applicable, of all outstanding stock awards.

*Transactions.* The Amended 2017 Plan provides that in the event of certain specified significant transactions, including: (1) a sale of all or substantially all of our assets, (2) the sale or disposition of more than 50% of our outstanding securities, (3) the consummation of a merger or consolidation where we do not survive the transaction and (4) the consummation of a merger or consolidation where we do survive the transaction but our shares outstanding prior to such transaction are converted or exchanged into other property by virtue of the transaction, unless otherwise provided in an award agreement or other written agreement between us and the award holder, the administrator may take one or more of the following actions with respect to such stock awards: (1) arrange for the assumption, continuation or substitution of a stock award by a successor corporation, (2) arrange for the assignment of any reacquisition or repurchase rights held by us to a successor corporation, (3) accelerate the vesting, in whole or in part, of the stock award and provide for its termination prior to the transaction, (4) arrange for the lapse, in whole or in part, of any reacquisition or repurchase rights held by us, (5) cancel or arrange for the cancellation of the stock award prior to the transaction in exchange for a cash payment, if any, determined by the Board or (6) make a payment, in the form determined by The Board, equal to the excess, if any, of the value of the property the participant would have received upon exercise of the awards prior to the transaction over any exercise price payable by the participant in connection with the exercise.

*Transferability.* A participant may not transfer stock awards under the Amended 2017 Plan other than by will, the laws of descent and distribution or as otherwise provided under the Amended 2017 Plan.

*Plan Amendment or Termination.* Our Board has the authority to amend, suspend or terminate the Amended 2017 Plan, provided that such action does not materially impair the existing rights of any participant without such participant's written consent. Certain material amendments also require the approval of our stockholders. No incentive stock options may be granted after the tenth anniversary of the date our Board adopted the Amended 2017 Plan. No stock awards may be granted under the Amended 2017 Plan while it is suspended or after it is terminated.

### **U.S. Federal Income Tax Consequences**

The information set forth below is a summary only and does not purport to be complete. The information is based upon current federal income tax rules and therefore is subject to change when those rules change. Because the tax consequences to any recipient may depend on his or her particular situation, each recipient should consult the recipient's tax adviser regarding the federal, state, local, and other tax consequences of the grant or exercise of an award or the disposition of stock acquired as a result of an award. The Amended 2017 Plan is not qualified under the provisions of Section 401(a) of the Code and is not subject to any of the provisions of the Employee Retirement Income Security Act of 1974.

#### *Nonstatutory Stock Options*

Generally, there is no taxation upon the grant of a nonstatutory stock option if the stock option is granted with an exercise price equal to the fair market value of the underlying stock on the grant date. On exercise, an optionholder will recognize ordinary income equal to the excess, if any, of the fair market value on the date of exercise of the stock over the exercise price. If the optionholder is employed by us or one of our affiliates, that income will be subject to withholding taxes. We will generally be entitled to a tax deduction equal to the taxable ordinary income realized by the optionholder.

### *Incentive Stock Options*

The Amended 2017 Plan provides for the grant of stock options that qualify as “incentive stock options,” as defined in Section 422 of the Code. Under the Code, an optionholder generally is not subject to ordinary income tax upon the grant or exercise of an incentive stock option, or ISO (although, in certain circumstances, there may be an item of adjustment included for alternative minimum tax purposes). If the optionholder holds a share received on exercise of an ISO for more than two years from the date the stock option was granted and more than one year from the date the stock option was exercised, which is referred to as the required holding period, the difference, if any, between the amount realized on a sale or other taxable disposition of that share and the holder’s tax basis in that share will be long-term capital gain or loss. If, however, an optionholder disposes of a share acquired on exercise of an ISO before the end of the required holding period, which is referred to as a disqualifying disposition, the optionholder generally will recognize ordinary income in the year of the disqualifying disposition equal to the excess, if any, of the fair market value of the share on the date the ISO was exercised over the exercise price.

We are not allowed an income tax deduction with respect to the grant or exercise of an ISO or the disposition of a share acquired on exercise of an ISO after the required holding period. If there is a disqualifying disposition of a share, however, we are generally allowed a deduction in an amount equal to the ordinary income includible in income by the optionholder.

### *Restricted Stock Awards*

Generally, the recipient of a restricted stock award will recognize ordinary income at the time the stock is received equal to the excess, if any, of the fair market value of the stock received over any amount paid by the recipient in exchange for the stock. If, however, the stock is not vested when it is received (for example, if the employee is required to work for a period of time in order to have the right to sell the stock), the recipient generally will not recognize income until the stock becomes vested, at which time the recipient will recognize ordinary income equal to the excess, if any, of the fair market value of the stock on the date it becomes vested over any amount paid by the recipient in exchange for the stock. A recipient may, however, file an election with the Internal Revenue Service, within 30 days following his or her receipt of the stock award, to recognize ordinary income, as of the date the recipient receives the award, equal to the excess, if any, of the fair market value of the stock on the date the award is granted over any amount paid by the recipient for the stock. We will generally be entitled to a tax deduction equal to the taxable ordinary income realized by the recipient of the stock award.

### *Restricted Stock Unit Awards*

Generally, the recipient of a stock unit structured to conform to the requirements of Section 409A of the Code or an exception to Section 409A of the Code will recognize ordinary income at the time the stock is delivered equal to the excess, if any, of the fair market value of our ordinary shares received over any amount paid by the recipient in exchange for our ordinary shares.

We will generally be entitled to a tax deduction equal to the taxable ordinary income realized by the recipient of the stock award.

### *Stock Appreciation Rights*

We may grant under the Amended 2017 Plan stock appreciation rights separate from any other award or in tandem with other awards under the Amended 2017 Plan.

Where the stock appreciation rights are granted with a strike price equal to the fair market value of the underlying stock on the grant date, the recipient will recognize ordinary income equal to the fair market value of the stock or cash received upon such exercise. We will generally be entitled to a tax deduction equal to the taxable ordinary income realized by the recipient of the stock appreciation right.

### *Section 162(m) Limitations*

Compensation of persons who are “covered employees” of the Company is subject to the tax deduction limits of Section 162(m) of the Code. The exemption from Section 162(m)’s deduction limit for performance-based compensation has generally been repealed, effective for taxable years beginning after December 31, 2017, our Compensation, Nominating and Corporate Governance Committee has reserved the right to grant compensation that is not tax deductible if it determines that doing so will better meet the Company’s goals and objectives. For more information about Section 162(m), please see “Tax and Accounting Implications” in the Compensation Discussion and Analysis section.

### **New Plan Benefits**

The Company cannot currently determine the benefits or number of shares subject to awards that may be granted in the future to executive officers, Directors, and employees under the Amended 2017 Plan. We do not presently have any current plans, proposals or arrangements, written or otherwise, to issue any of the newly available authorized shares under the Amended 2017 Plan. As of March 31, 2021, we have 190 employees, 33 consultants and seven non-employee Directors who would be eligible to receive grants under the Amended 2017 Plan. Awards granted under the Amended 2017 Plan to our non-employee Directors are discretionary and are not subject to set benefits or amounts under the terms of the Amended 2017 Plan itself. However, our director compensation policy provides for certain equity award grants as set forth above in the section entitled, “Non-Employee Director Compensation Policy.” On and after the date of the annual meeting, if this Proposal 2 is approved by our shareholders, any such equity award grants will be made under the Amended 2017 Plan. If this Proposal 2 is not approved by our shareholders, any such equity award grants will be made under the existing 2017 Plan. For additional information regarding our current compensation program for non-employee Directors, please see “Director Compensation” above.

### Required Vote

“For” votes from holders of a majority of the shares present via remote attendance or represented by proxy and entitled to vote on the matter at the Annual Meeting that cast votes is required to approve this Proposal 2. Abstentions and broker non-votes, if any, will have no effect.

### Proposed Resolutions

It is proposed that at the annual meeting the following resolution be adopted:

“RESOLVED, that the amendment to the UroGen Pharma Ltd. 2017 Equity Incentive Plan, as amended, in the form attached as Appendix A to UroGen Pharma Ltd.’s Proxy Statement, dated April 28, 2021, relating to the 2021 Annual Meeting of Shareholders, be, and hereby is, approved.”

**Our Board of Directors unanimously recommends  
that you vote “FOR” the foregoing resolution.**

## PROPOSAL 3

### ADVISORY VOTE ON EXECUTIVE COMPENSATION

At our 2019 Annual Meeting of Shareholders, our shareholders indicated their preference that we solicit a non-binding advisory vote on the compensation of our named executive officers, commonly referred to as a “say-on-pay vote,” every year. Our Board of Directors has adopted a policy that is consistent with that preference. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Company’s named executive officers and the philosophy, policies and practices described in this proxy statement.

The compensation of the Company’s named executive officers subject to the vote is disclosed in the Compensation Discussion and Analysis, the compensation tables, and the related narrative disclosure contained in this proxy statement. As discussed in those disclosures, the Company believes that its compensation policies and decisions are focused on pay-for-performance principles and strongly aligned with our shareholders’ interests, consistent with current market practices. Compensation of the Company’s named executive officers is designed to enable the Company to attract and retain talented and experienced executives to lead the Company successfully in a competitive environment.

Accordingly, the Board is asking the shareholders to indicate their support for the compensation of the Company’s named executive officers as described in this proxy statement by casting a non-binding advisory vote “FOR” the following resolution:

“RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion is hereby APPROVED.”

**Our Board of Directors unanimously recommends  
that you vote “FOR” the foregoing resolution.**

Because the vote is advisory, it is not binding on the Directors or the Company. Nevertheless, the views expressed by the shareholders, whether through this vote or otherwise, are important to management and the Board and, accordingly, the Board and the Compensation, Nominating and Corporate Governance Committee intend to consider the results of this vote in making determinations in the future regarding executive compensation arrangements.

Advisory approval of this proposal requires the vote of the holders of a majority of the shares present via remote attendance or represented by proxy and entitled to vote on the matter at the Annual Meeting. Abstentions and broker non-votes will have no effect.

## PROPOSAL 4

### RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

#### Changes in the Company's Certified Accounting Firm for Annual Services

PricewaterhouseCoopers LLP ("PwC US") audited our financial statements for the fiscal year ended December 31, 2020.

Kesselman & Kesselman, Certified Public Accountants, an independent registered public accounting firm and a member firm of PricewaterhouseCoopers International Limited ("PwC IL") audited our financial statements for the fiscal year ended December 31, 2019. On February 24, 2020, our Audit Committee, having considered the Principal Auditor Rule, recommended to our Board that we replace PwC IL with PwC US as our independent registered public accounting firm for the fiscal year ending December 31, 2020, on February 28, 2020 our Directors accepted the recommendation, and on June 8, 2020 our Shareholders approved of the engagement of PwC US as our independent registered public accounting firm for the fiscal year ending December 31, 2020 until our 2021 Annual Meeting of Shareholders.

The reports of PwC IL on our financial statements for the fiscal year ended December 31, 2019 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

In connection with the audits of our financial statements for the fiscal year ended December 31, 2019, there were no disagreements (as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and related instructions) with PwC IL on any matters of accounting principles or practices, financial statement disclosure or auditing scope and procedures which, if not resolved to the satisfaction of PwC IL, would have caused PwC IL to make reference to the matter in their reports on the Company's financial statements; and there were no reportable events as the term is described in Item 304(a)(1)(v) of Regulation S-K.

PwC US audited our financial statements for the fiscal year ended December 31, 2020 and participated in a portion of the audit of the Company's consolidated financial statements for the year ended December 31, 2019, acting as a component auditor for PwC IL, the then-principal independent registered public accountants of the Company. In connection with the audits of our financial statements for the fiscal year ended December 31, 2020, there were no disagreements (as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and related instructions) with PwC US on any matters of accounting principles or practices, financial statement disclosure or auditing scope and procedures which, if not resolved to the satisfaction of PwC US, would have caused PwC US to make reference to the matter in their reports on the Company's financial statements; and there were no reportable events as the term is described in Item 304(a)(1)(v) of Regulation S-K.

During the years ended December 31, 2020 and 2019, and the subsequent interim period through the date of this proxy statement, neither we nor anyone on our behalf consulted with PwC US or PwC IL regarding either (i) the application of accounting principles to a specific transaction, completed or proposed, or the type of audit opinion that might be rendered on our financial statements, and neither a written report nor oral advice was provided to us that PwC US or PwC IL concluded was an important factor considered by us in reaching a decision as to any accounting, auditing or financial reporting issue or (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).

#### Ratification of Selection

## EXECUTIVE COMPENSATION

### Compensation Discussion and Analysis

#### Overview

This Compensation Discussion and Analysis discusses our executive compensation policies and how and why our Compensation, Nominating and Corporate Governance Committee arrived at specific compensation decisions for the year ending December 31, 2020. It provides qualitative information on the factors relevant to these decisions and the manner in which compensation is awarded to our named executive officers for the fiscal year ended December 31, 2020, which consist of our principal executive officer, our current principal financial officer, our former principal financial officer, our former principal operating officer, and our only two remaining executive officers in 2020. Our named executive officers for 2020 were:

<u>Name</u>	<u>Position(s)</u>
<i>Elizabeth Barrett</i>	<i>President and Chief Executive Officer</i>
<i>Molly Henderson</i>	<i>Chief Financial Officer</i>
<i>Peter P. Pfreundschuh</i>	<i>Former Chief Financial Officer</i>
<i>Stephen L. Mullenix</i>	<i>Former Chief Operating Officer</i>
<i>Mark P. Schoenberg</i>	<i>Chief Medical Officer</i>
<i>Jason Smith</i>	<i>General Counsel and Chief Compliance Officer</i>

#### Executive Summary

The important features of our executive compensation program include the following:

- **A substantial portion of executive pay is tied to performance.** We structure a significant portion of our named executive officers' compensation to be variable, at risk and tied directly to our measurable performance.
- **Our executive bonuses are dependent on the Company and the officer achieving annually determined goals and objectives.** Our annual performance-based bonus opportunities for all our named executive officers are determined by the Compensation, Nominating and Corporate Governance Committee in its sole discretion based upon the Company's and the officer's achievement of goals and objectives determined on an annual basis by the Company.
- **We emphasize long-term equity incentives.** Equity awards are an integral part of our executive compensation program and comprise the primary "at-risk" portion of our named executive officer compensation package. During 2020, we granted our executive officers options to purchase our ordinary shares and restricted stock units. These awards strongly align our executive officers' interests with those of our shareholders by providing a continuing financial incentive to maximize long-term value for our shareholders and by encouraging our executive officers to remain in our long-term employ.
- **We do not provide our executive officers with any excise tax gross ups.**
- **We generally do not provide executive fringe benefits or perquisites** to our executives, such as car allowances.
- **Our Compensation, Nominating and Corporate Governance Committee has retained an independent third-party compensation consultant** for guidance in making compensation decisions. The compensation consultant advises the Compensation, Nominating and Corporate Governance Committee on market practices, including identifying a peer group of companies and their compensation practices, so that our Compensation, Nominating and Corporate Governance Committee can regularly assess the Company's individual and total compensation programs against these peer companies, the general marketplace and other industry data points.

## Our Approach to Shareholder Engagement

We take the views of our shareholders seriously, and members of our management and our Directors have actively reached out to several of our largest shareholders to gain a better understanding of their views regarding our executive compensation program as well as other governance matters. Our process for shareholder outreach and engagement occurs throughout the year. Following our annual meeting of shareholders, we review the voting results as well reports published by Institutional Shareholder Services and Glass Lewis to gain an initial understanding of areas of focus, and beginning in the summer of each year, we reach out to shareholders to invite feedback and discussion to ensure an understanding of the areas of greatest interest to our shareholders. The table below sets forth our general approach to shareholder engagement in any given year.

July	Aug	Sept	Oct	Nov	Dec	Jan	Feb	March	April	May	June
<ul style="list-style-type: none"> <li>Review results of Annual Shareholders' Meeting vote</li> <li>Begin engaging with shareholders for feedback</li> <li>Formulate corporate plans and initiatives to address investor feedback</li> </ul>						<ul style="list-style-type: none"> <li>File Company's 10-K</li> <li>Preparation of Annual Report and Proxy Statement</li> </ul>			<ul style="list-style-type: none"> <li>Publish Annual Report and Proxy Statement</li> <li>Hold Annual Shareholders' Meeting</li> </ul>		
<p><b>Ongoing communication and engagement with shareholders</b>            Over the 2020-2021 cycle, we have reached out to many of our shareholders regarding say-on-pay representing over 50% of ownership in the Company</p>											

The following table highlights several areas where our shareholders provided feedback over the 2020-2021 cycle. That feedback was shared with our Board, and we responded as indicated below.

Areas of Feedback	Our Response
<b>"Single-trigger" equity acceleration for certain executives in the event of a change in control</b>	We have amended our named executive officers' employment agreements, changing the equity acceleration from a "single-trigger" to a "double-trigger" acceleration in the event of a change in control
<b>Vesting schedule of our CEO's equity awards</b>	We have modified the vesting schedule for our CEO's prior equity awards, moving from a monthly to annual vesting schedule
<b>Proportion of executive equity awards in options vs. RSUs</b>	We have established a 75:25 option-to-RSU ratio target for executives

## Objectives, Philosophy and Elements of Executive Compensation

Our compensation program aims to achieve the following main objectives:

- attract and retain and reward highly qualified executives;
- provide incentives that motivate and reward for achievement of our key performance goals that increase shareholder value over the long-term;
- align our executives' interests with those of our shareholders; and
- link pay to company performance.

Our executive compensation program generally consists of, and is intended to strike a balance among, the following three principal components: base salary, annual performance-based bonuses and long-term incentive compensation. We provided signing bonuses to our executive officers when they joined the Company. We also provide our executive officers with benefits available to all our employees, including participation in employee

benefit plans. The following chart summarizes the three main elements of compensation, their objectives and key features.

<b>Element of Compensation</b>	<b>Objectives</b>	<b>Key Features</b>
<b>Base Salary (fixed cash)</b>	Provides financial stability and security through a fixed amount of cash for performing job responsibilities.	Generally reviewed annually and determined based on a number of factors (including individual performance and the overall performance of our Company) and by reference, in part, to market data provided by our independent compensation consultant.
<b>Performance Bonus (at-risk cash)</b>	Motivates and rewards for attaining key annual Company and executive officer performance goals and objectives.	Target bonus amounts are generally reviewed annually and determined based upon positions that have similar impact on the organization and competitive bonus opportunities in our market. Bonus opportunities are dependent upon achievement of specific corporate performance objectives consistent with our long-term strategic plan and individual performance objectives that relate to the officer's role and expected contribution toward reaching our corporate goals, generally determined by the Compensation, Nominating and Corporate Governance Committee and communicated at the beginning of the year. Actual bonus amounts earned are determined after the end of the year, taking into account corporate and individual performance objectives.
<b>Long-Term Incentive (at-risk equity)</b>	Motivates and rewards for long-term Company performance; aligns executives' interests with shareholder interests and changes in shareholder value.  Attracts highly qualified executives and encourages their continued employment over the long-term.	Equity opportunities are generally reviewed annually and may be granted during the first half of the year or as appropriate during the year for new hires, promotions, or other special circumstances, such as to encourage retention, or as a reward for significant achievement.  Individual awards are determined based on a number of factors, including current corporate and individual performance and market data provided by our independent compensation consultant.

We focus on providing a competitive compensation package to our executive officers which provides significant short and long-term incentives for the achievement of measurable Company and executive officer goals and objectives. We believe that this approach provides an appropriate blend of short-term and long-term incentives to maximize shareholder value.

We do not have any formal policies for allocating compensation among salary, performance bonus awards and equity grants, short-term and long-term compensation or among cash and non-cash compensation. Instead, the Compensation, Nominating and Corporate Governance Committee uses its judgment to establish a total compensation program for each named executive officer that is a mix of current, short-term and long-term incentive compensation, and cash and non-cash compensation, that it believes appropriate to achieve the goals of our executive compensation program and our corporate objectives. However, historically we have structured a significant portion of the named executive officers' total target compensation so that it is comprised of performance-based bonus opportunities and long-term equity awards, in order to align the executive officers' incentives with the interests of our shareholders and our corporate goals.

## **2020 Say-on-Pay Results**

At our 2020 annual meeting of shareholders, we held a shareholder advisory vote on executive compensation, commonly referred to as a "say-on-pay" vote, which resulted in approximately 44% of the total votes cast being in favor of the advisory proposal. Shareholders indicated concern in relation to the magnitude of time-vesting awards granted to our CEO at the commencement of her employment, as well as an expectation that the majority of awards be subject to rigorous performance-vesting criteria.

We take the views of our shareholders seriously. Following the results of the 2020 "say-on-pay" vote, members of our management and our Directors have actively reached out to several of our largest stockholders to gain a better understanding of their views regarding our executive compensation program as well as other governance matters. Specifically, we have contacted seven of our stockholders representing over 50% of our ownership. We have also performed an item-by-item analysis of the Institutional Shareholder Services and Glass Lewis published reports to determine appropriate enhancements in certain areas, and, as noted above, have instituted the following changes:

- Amending our named executive officers' employment agreements, changing the equity acceleration from a "single-trigger" to a "double-trigger" acceleration in the event of a change in control;
- Modifying the vesting schedule for our CEO's prior equity awards, moving from a monthly to annual vesting schedule;
- Establishing a 75:25 option-to-RSU ratio target for executives.

We believe that each of these enhancements further aligns our management's short- and long-term incentives with the interest of our shareholders. Our next "say-on-pay" vote will be held at our 2022 annual meeting of shareholders.

## **How We Determine Executive Compensation**

### *Role of our Compensation, Nominating and Corporate Governance Committee, Management and the Board*

The Compensation, Nominating and Corporate Governance Committee is appointed by the Board and has responsibilities related to the compensation of the Company's directors, officers, and employees and the development and administration of the Company's compensation plans. For details on the Compensation, Nominating and Corporate Governance Committee's oversight of the executive compensation program, see the section above titled "Compensation, Nominating and Corporate Governance Committee". Our Compensation, Nominating and Corporate Governance Committee consists solely of independent members of the Board.

The Compensation, Nominating and Corporate Governance Committee reviews all compensation paid to our executive officers, including our named executive officers. The Chief Executive Officer evaluates and provides to the Compensation, Nominating and Corporate Governance Committee performance assessments and compensation

recommendations. While the Chief Executive Officer discusses her recommendations with the Compensation, Nominating and Corporate Governance Committee, she does not participate in the deliberations concerning, or the determination of, her own compensation. The Compensation, Nominating and Corporate Governance Committee discusses and makes final determinations with respect to executive compensation matters without the Chief Executive Officer present during discussions of the Chief Executive Officer's compensation. From time to time, various other members of management and other employees as well as outside advisors or consultants may be invited by the Compensation, Nominating and Corporate Governance Committee to make presentations, provide financial or other background information or advice or otherwise participate in the Compensation, Nominating and Corporate Governance Committee meetings.

The Compensation, Nominating and Corporate Governance Committee meets periodically throughout the year to manage and evaluate our executive compensation program, and generally determines the principal components of compensation (base salary, performance bonus and equity awards) for our executive officers on an annual basis; however, decisions may occur at other times for new hires, promotions or other special circumstances as our Compensation, Nominating and Corporate Governance Committee determines appropriate. The Compensation, Nominating and Corporate Governance Committee does not delegate authority to approve executive officer compensation. The Compensation, Nominating and Corporate Governance Committee does not maintain a formal policy regarding the timing of equity awards to our executive officers. The Compensation, Nominating and Corporate Governance Committee will continue to monitor and evaluate our executive compensation program in light of our stockholders' views, before making any appropriate adjustments, and continue to consider the outcome of our say-on-pay votes and our stockholders' views when making future compensation decisions for our named executive officers.

#### *Role of Compensation Consultant*

The Compensation, Nominating and Corporate Governance Committee has the sole authority to retain compensation consultants to assist in its evaluation of executive compensation, including the authority to approve the consultant's reasonable fees and other retention terms. The Compensation, Nominating and Corporate Governance Committee has retained Compensia, Inc., or Compensia, as its compensation consultant. A representative of Compensia generally attends meetings of the Compensation, Nominating and Corporate Governance Committee. In addition, Compensia supported the selection of companies included in our compensation peer group, provided competitive market assessments of the compensation of our executive officers and non-employee director compensation programs and provided support on other matters as requested by the Compensation, Nominating and Corporate Governance Committee.

The Compensation, Nominating and Corporate Governance Committee has analyzed whether the work of Compensia as compensation consultant raises any conflict of interest, taking into account relevant factors in accordance with SEC guidelines. Based on its analysis, our Compensation, Nominating and Corporate Governance Committee determined that the work of Compensia and the individual compensation advisors employed by Compensia does not create any conflict of interest pursuant to the SEC rules and Nasdaq listing standards.

#### *Use of Competitive Market Compensation Data*

The Compensation, Nominating and Corporate Governance Committee believes that it is important when making its compensation decisions to be informed as to the current practices of comparable public companies with which we compete for top talent.

Working with Compensia, the Compensation, Nominating and Corporate Governance Committee approved a group of companies that were identified as peers based on alignment with our Company's industry, stage of drug development, headcount, and market capitalization. The peer group that was identified and used in research that informed executive compensation for 2020, included the following companies: Agenus, Aquestive Therapeutics, Atara Biotherapeutics, Clovis Oncology, Corcept Therapeutics, Eiger BioPharmaceuticals, Epizyme, G1 Therapeutics,

Karyopharm Therapeutics, MacroGenics, Progenics Pharmaceutical, Puma Biotechnology, Rigel Pharmaceuticals, TG Therapeutics, Verastem, Y-mAbs Therapeutics and Zogenix.

In 2020, using data compiled from the peer companies, or peer data, Compensia completed an assessment of our executive compensation to inform the Compensation, Nominating and Corporate Governance Committee's determinations regarding executive compensation for 2021. Compensia prepared and the Compensation, Nominating and Corporate Governance Committee reviewed, a range of market data reference points with respect to base salary, performance bonuses, target total cash compensation (base salary and the annual target performance bonus), equity compensation, and total direct compensation (target total cash compensation and equity compensation) with respect to each of the named executive officers. In 2020, this benchmarking analysis found that target total compensation was at or below the 25<sup>th</sup> percentile for each of the named executive officers.

The named executive officers whose compensation was the focus of this research included Elizabeth Barrett, Peter P. Pfreundschuh, Stephen L. Mullennix, Mark Schoenberg and Jason Smith. In establishing 2020 pay for this group of executives, the Compensation, Nominating and Corporate Governance Committee generally targeted the 50<sup>th</sup> percentile of the market data.

Market data is only one of the factors that the Compensation, Nominating and Corporate Governance Committee considers in making compensation decisions. The Compensation, Nominating and Corporate Governance Committee considers other factors as described below under "Factors Used in Determining Executive Compensation".

### **Factors Used in Determining Executive Compensation**

Our Compensation, Nominating and Corporate Governance Committee sets the compensation of our executive officers at levels they determine to be competitive and appropriate for each named executive officer, using their professional experience and judgment. Pay decisions are not made by use of a formulaic approach or benchmark; the Compensation, Nominating and Corporate Governance Committee believes that executive pay decisions require consideration of a multitude of relevant factors which may vary from year to year. In making executive compensation decisions, the Compensation, Nominating and Corporate Governance Committee generally takes into consideration the factors listed below.

- Company performance and existing business needs
- Each named executive officer's individual performance, scope of job function and the critical skill set of the named executive officer to the company's future performance
- The need to attract new talent to our executive team and retain existing talent in a highly competitive industry
- A range of market data reference points, as described above under "Use of Competitive Market Compensation Data"
- Recommendations from consultants on compensation policy determinations for the executive officer group

### **2020 Executive Compensation Program**

#### *Base Salary*

The base salaries of our executive officers are designed to compensate them for day-to-day services rendered during the fiscal year. Appropriate base salaries are used to recognize the experience, skills, knowledge and responsibilities required of each executive officer and to allow us to attract and retain individuals capable of leading us to achieve our business goals in competitive market conditions.

The base salaries of our executive officers are reviewed at least annually by our Compensation, Nominating and Corporate Governance Committee and adjustments are made to reflect Company and individual performance, as

well as competitive market practices. Our Compensation, Nominating and Corporate Governance Committee also takes into account subjective performance criteria, such as an executive officer's ability to lead, organize and motivate others, develop the skills necessary to mature with us, set realistic goals to be achieved in his or her respective area, and recognize and pursue new business opportunities that enhance our growth and success. Our Compensation, Nominating and Corporate Governance Committee does not apply specific formulas to determine increases, but instead makes an evaluation of each executive officer's contribution to our long-term success. Annual adjustments to base salaries are effective as of March 1 of each year, with mid-year adjustments to base salaries made under special circumstances, such as promotions or increased responsibilities, or to align certain base salaries with those of individuals in comparable positions at the companies in our compensation peer group.

The 2020 base salaries for our executive officers were as follows:

<u>Executive</u>	<u>Base Salary</u>	<u>Percentage Increase in Base Salary from December 2019</u>
Elizabeth Barrett	\$ 721,000	3.00%
Molly Henderson	\$ 430,000	
Peter P. Pfreunds Schuh	\$ 448,694	3.00%
Stephen L. Mullennix	\$ 448,694	3.00%
Mark P. Schoenberg	\$ 205,000	0.00%
Jason Smith	\$ 425,000	

#### *Annual Performance Bonus*

Our named executive officers are eligible to receive performance-based cash bonuses, which are designed to provide appropriate incentives to our executive officers to achieve defined annual corporate goals and to reward them for individual performance towards these goals. The annual performance-based bonus each current named executive officer is eligible to receive is generally based on the extent to which we achieve the corporate goals and objectives that the Board establishes each year. At the end of the year, the Board and Compensation, Nominating and Corporate Governance Committee review our performance and approve the extent to which we achieved each of these corporate goals. Generally, the Board and Compensation, Nominating and Corporate Governance Committee will assess each named executive officer's individual contributions towards reaching our annual corporate goals and objectives but does not typically establish specific individual goals for our named executive officers.

The table below sets forth the targets for our named executive officers for 2020, as provided for in their respective employment agreements. The target percentage is paid as a percentage of such executive officer's base salary. For example, if 100% of the Company's performance goals are achieved, this would yield our Chief Financial Officer, Molly Henderson, a cash incentive award of 50% of her base salary.

<u>Executive Officer</u>	<u>Target Percentage of Base Salary</u>
Elizabeth Barrett	50%
Molly Henderson	50%
Peter P. Pfreunds Schuh	50%
Stephen L. Mullennix	50%
Mark P. Schoenberg	(1)
Jason Smith	50%

- (1) Dr. Schoenberg's annual target bonus is \$225,000. Dr. Schoenberg is eligible to receive up to 150% of the annual target bonus based upon the achievement of the Company's corporate goals and objectives.

In the second quarter of 2020, the Compensation, Nominating and Corporate Governance Committee established the corporate goals described below. Our objective corporate goals are directly aligned with our specific strategic goals, including advancing our development programs, our research function, our clinical activities, commercialization activities and certain corporate and financial goals, which we believe will create long-term value for shareholders. The maximum possible corporate achievement for 2020 was 150% of our 2020 corporate goals (up to 100% for the core goals and 50% for the stretch goals). In December 2020, the Compensation, Nominating and Corporate Governance Committee evaluated the accomplishments and performance of the Company against such corporate goals. In particular, the Compensation, Nominating and Corporate Governance Committee also considered the impact of the ongoing COVID-19 pandemic. In its consideration of the commercialization of *Jelmyto*, the Compensation, Nominating and Corporate Governance Committee acknowledged the particular challenges of launching a new product during this unprecedented time. After its consideration of the Company's performance, as more specifically described below, the Compensation, Nominating and Corporate Governance Committee rated our 2020 corporate achievement at 130% of our 2020 corporate goals.

<u>Corporate Goal – Core</u>	<u>Weighting</u>	<u>Corporate Achievement</u>
FDA Approval and Successful Product Launch UGN-101	60%	Achieved
Start UGN-102 Pivotal Study	35%	Achieved
Advancement of Drug Development Pipeline	5%	Achieved

<u>Corporate Goal – Stretch</u>	<u>Weighting</u>	<u>Corporate Achievement</u>
Commercial Uptake of UGN-101 at 150% Budgeted Forecast	20%	Partially Achieved (1)
Advancement of New or Existing Partnered Products into Human Clinical Trial	10%	Not Achieved
Approval of UGN-101 prior to PDUFA Goal Date	20%	Achieved

- (1) The Compensation, Nominating and Corporate Governance Committee determined a 10% achievement based on commercial uptake of UGN-101 exceeding budget, but short of 150%, given the particularly challenging external circumstances throughout 2020 related to the COVID-19 pandemic.

In December 2020, after making these determinations regarding level of corporate performance achieved against the pre-established performance goals, the Compensation, Nominating and Corporate Governance Committee reviewed and approved corporate cash incentives as set forth in the table below. The Compensation, Nominating and Corporate Governance Committee may, in its sole discretion, eliminate any individual cash incentive or reduce or increase the amount of compensation payable with respect to any individual cash incentive.

<u>Named Executive Officer</u>	<u>2020 Target Annual Cash Incentive</u>		<u>2020 Actual Annual Cash Incentive Paid</u>	
	<u>% of Base Salary</u>	<u>\$</u>	<u>% of Target Annual Cash Incentive</u>	<u>\$</u>
Elizabeth Barrett	50%	\$ 360,500	130%	\$ 468,650
Mark Schoenberg	110%	\$ 225,500	130%	\$ 293,150
Jason Smith(1)	50%	\$ 212,500	130%	\$ 92,083

The annual equity grants to our named executive officers are evaluated and approved by the Compensation, Nominating and Corporate Governance Committee in the context of each named executive officer's total compensation and take into account the market data provided by compensation consultants in addition to the individual officer's responsibilities and performance. The Compensation, Nominating and Corporate Governance Committee also takes into account the recommendations of the Chief Executive Officer with respect to appropriate grants and any particular individual circumstances.

#### **Other Features of Our Executive Compensation Program**

##### *Agreements with Our Named Executive Officers*

We have entered into written employment agreements with each of our executive officers. Each of these employment agreements provides for "at will" employment and set forth the initial compensation arrangements for the executive officer, including an initial base salary, an annual cash opportunity, and an equity award recommendation. These agreements and the proprietary information and invention assignment agreements each executive officer executes upon commencing employment at the Company also set forth the rights and responsibilities of each party and include, among other rights and responsibilities, the prohibition on the executive officer from engaging directly or indirectly in competition with us, soliciting any of our employees, or disclosing our confidential information.

Below are descriptions of our employment agreements with our executive officers. For a discussion of the severance payments and other benefits to be provided in connection with an involuntary termination of employment, including in connection with a change in control of the Company under the arrangements with our executive officers, please see "—Severance and Change in Control Benefits" below.

*Elizabeth Barrett.* On January 3, 2019, we entered into an employment agreement with Ms. Barrett, which was amended in January 2021, as described in more detail below under “Severance and Change in Control Benefits”. Pursuant to the terms of Mr. Mullennix’s employment agreement dated October 28, 2018, Mr. Mullennix was granted and additional option to purchase 20,000 ordinary shares and an additional 5,000 restricted stock units. *Mark P. Schoenberg.* On January 23, 2020, we entered into a new employment agreement with Dr. Schoenberg. Pursuant to the terms of the agreement and Dr. Schoenberg's reduced-time status, Dr. Schoenberg receives an annual base salary of \$205,000 for a 50% full-time equivalent role and is eligible to receive an annual target cash bonus of \$225,000 with a maximum of 150% of such target bonus, subject to achievement of Company goals and objectives.

Mr. Smith was granted an initial new hire option to purchase 60,000 ordinary shares and 25,000 restricted stock units.

### **Severance and Change in Control Benefits**

Our employment agreements with Ms. Barrett, Ms. Henderson, Dr. Schoenberg and Mr. Smith provide that they are eligible for severance benefits upon certain involuntary terminations of employment, including in connection with a change in control, as described below. In January 2021, we amended Ms. Barrett's, Dr. Schoenberg and Mr. Smith's employment agreements to remove their "single-trigger" vesting acceleration provision that applied in the event of a change in control and replaced it with the double-trigger vesting acceleration provision described below.

Pursuant to each of their respective employment agreements (or amended employment agreement in the case of Ms. Barrett, Dr. Schoenberg and Mr. Smith), if the named executive officer is terminated by the Company without cause, by the named executive officer for good reason, or due to the named executive officer's death or disability (in the case of Ms. Barrett, Ms. Henderson and Mr. Smith), then the named executive officer will be entitled to the following severance benefits: (i) continuing base salary payments for 6 months (or 12 months in the case of Ms. Barrett and Dr. Schoenberg); (ii) a prorated target annual bonus for the year of termination (to the extent earned based on company performance and with any individual performance component deemed achieved, and at the discretion of the Board of Directors for Dr. Schoenberg); (iii) any unpaid annual bonus earned with respect to the year preceding termination; (iv) each restricted share award and option held by the named executive officer at the time of such termination that is outstanding and unvested will accelerate vesting and, as applicable, exercisability as to 8.33% of the award (or in the case of Ms. Barrett, the portion of the award otherwise scheduled to vest within the 12 month period following termination, and in the case of Dr. Schoenberg 16.67% of the award) and (v) COBRA payment reimbursement for up to 6 months (or 12 months in the case of Ms. Barrett) following such termination.

If there is a change in control and the named executive officer is terminated without cause or resigns for good reason, in either case within three months prior to, or 24 months following the effective date of the change in control, the named executive officer will be entitled to the following severance benefits, in lieu of the severance benefits described above: (i) a lump sum payment equal to the sum of (1) 12 months (18 months in the case of Ms. Barrett) of his or her then-current annual base salary and (2) 100% of his or her current target annual bonus (or prorated target annual bonus for the year of termination at the discretion of the Board of Directors for Dr. Schoenberg); (ii) the amount of any COBRA premium payments made by the named executive officer during the 12 months (or 18 months in the case of Ms. Barrett) following such termination; and (iii) 100% vesting and exercisability of all of his or her Company equity awards that are outstanding and unvested as of the termination date.

Payment of the severance benefits described in the preceding paragraphs is subject to the named executive officer signing and not revoking a separation agreement and release of claims in a form satisfactory to us (except in the case of death with respect to Ms. Barrett only).

#### *Other Benefits*

Our named executive officers are eligible to participate in our employee benefit plans, including our medical, dental, vision, group life, disability and accidental death and dismemberment insurance plans, in each case on the same basis as all of our other employees. We provided a 401(k) plan to all of our U.S. employees, including our named executive officers. We do not generally provide perquisites or personal benefits to our named executive officers. We do, however, pay the premiums for term life insurance and disability insurance for all of our employees, including our named executive officers.

#### **Tax and Accounting Implications**

Under Financial Accounting Standard Board ASC Topic 718, or ASC 718, we are required to estimate and record an expense for each award of equity compensation over the vesting period of the award. We record share-based compensation expense on an ongoing basis according to ASC 718.

Under Section 162(m) of the Internal Revenue Code of 1986, as amended, or the Code, compensation paid to certain of our executive officers that exceeds \$1 million per taxable year is generally non-deductible. Although the Compensation, Nominating and Corporate Governance Committee will continue to consider tax implications as one factor in determining executive compensation, it also looks at other factors in making its decisions and retains the flexibility to provide compensation for our named executive officers in a manner consistent with the goals of our executive compensation program and our best interests, and the best interests of our stockholders, which may include providing for compensation that is not deductible by us due to the deduction limit under Section 162(m) of the Code.

#### **Clawbacks**

As a public company, if we are required to restate our financial results due to our material noncompliance with any financial reporting requirements under the federal securities laws as a result of misconduct, the Chief Executive Officer and Chief Financial Officer may be legally required to reimburse our Company for any bonus or other incentive-based or equity-based compensation they receive in accordance with the provisions of section 304 of the Sarbanes-Oxley Act of 2002.

#### **Risk Analysis of Our Compensation Policies and Practices**

The Compensation, Nominating and Corporate Governance Committee has reviewed the Company's compensation policies and practices, in consultation with Compensia and outside Company counsel, to assess whether they encourage employees to take inappropriate risks. After reviewing and assessing the Company's compensation philosophy, terms and practices, including the mix of fixed and variable, short and long-term incentives and overall pay, incentive plan structures, and the checks and balances built into, and oversight of, each plan and practice, the Compensation, Nominating and Corporate Governance Committee determined that any risks arising from our compensation policies and practices for our employees are not reasonably likely to have a material adverse effect on our Company as a whole. The Compensation, Nominating and Corporate Governance Committee believes that the mix and design of the elements of executive compensation do not encourage management to assume excessive risks; the mix of short-term compensation (in the form of salary and annual bonus, if any, which is based on a variety of performance factors), and long-term compensation (in the form of options to purchase our ordinary shares and restricted stock units) prevents undue focus on short-term results and helps align the interests of the Company's executive officers with the interests of our shareholders.

## Pay Ratio Disclosure

Under the SEC rules adopted pursuant to the Dodd-Frank Act, we are required to disclose the ratio of the annual total compensation of our chief executive officer ("CEO"), Elizabeth Barrett, to the median of the annual total compensation of all of our employees other than Ms. Barrett (the "CEO Pay Ratio").

For fiscal 2020, the median of the annual total compensation of all employees of the Company (other than the CEO) was \$222,109 and the annual total compensation of the CEO, as reported in the Summary Compensation Table included in this Proxy Statement, was \$2,466,667. Based on this information, the ratio of the annual total compensation of the CEO to the median of the annual total compensation of all employees was 11 to 1.

To identify our median employee, we used the following methodology:

- To determine our total population of employees, we included all employees other than our CEO as of December 31, 2020 (whether employed on a full-time, part-time, seasonal, or temporary basis).
- To identify our median employee from our employee population, we chose as our consistently applied compensation measure the aggregate amount of each employee's base salary and cash bonuses paid during fiscal 2020 and the grant date fair value of equity awards granted in fiscal 2020 determined in accordance with FASB ASC Topic 718.
- In making this determination, we did not annualize the compensation of employees who were employed by us for less than the entire fiscal year and we did not make any cost-of-living adjustments.
- We did not exclude any non-U.S. employees under the de minimis or other exceptions set forth in Item 402(u) of Regulation S-K.
- Compensation paid in foreign currencies was converted to U.S. dollars based on the average exchange rate in effect during 2020.

Once the median employee was identified, we calculated the median employee's total annual compensation in accordance with the requirements of the Summary Compensation Table.

This pay ratio is a reasonable estimate calculated in a manner consistent with the SEC's rules and regulations, based on our records and the methodology described above. The SEC's rules and regulations for identifying the median employee and calculating the pay ratio based on that employee's annual total compensation allow companies to adopt a variety of methodologies and to use reasonable estimates and assumptions based on their own facts and circumstances.

As required by SEC rules, the amounts reported exclude the impact of estimated forfeitures related to service-based vesting conditions. If a director joins the Board of Directors between annual meetings, the annual grant awarded at his/her first annual meeting will be pro-rated based on the duration of service leading up to the meeting date: (i) for service between 0 (zero) and 90 (ninety) days – no grant; (ii) for service between 91 (ninety-one) and 180 (one hundred eighty) days – 5,000 (five thousand) options; and (iii) for service of at least 181 (one hundred eighty-one) days – 10,000 (ten thousand) options. To the Company's knowledge, based solely on our review of the copies of such forms furnished to us and written representations from these officers and directors, we believe that all Section 16(a) filing requirements were met during the year ended December 31, 2020. During fiscal year 2019, Mr. Beldegrun timely reported all transactions but reported an incorrect number of shares owned due to an error made in a previous year. This error was corrected by amending a previous Form 3 report. During fiscal year 2019, Dr. Schoenberg timely reported all transactions but reported an incorrect number of shares owned due to an error made in a previous year. This error was corrected by amending a previous Form 3 report.

## TRANSACTIONS WITH RELATED PERSONS

### Certain Related-Person Transactions

Described below are all transactions occurring since January 1, 2020 to which we were a party and in which (i) the amounts involved exceeded or will exceed the lesser of \$120,000 or 1% of the average of our total assets at year-end for the last two completed fiscal years, and (ii) a director, executive officer, holder of more than 5% of our outstanding ordinary shares, or any member of such person's immediate family had or will have a direct or indirect material interest, other than the equity and other compensation agreements that are described under "Executive Compensation" and "Director Compensation." We believe the terms obtained or consideration that we paid or received, as applicable, in connection with the transactions described below were comparable to terms available or the amounts that would be paid or received, as applicable, in arm's-length transactions with unrelated third parties.

### Indemnification agreements

Our articles of association permit us to exculpate, indemnify and insure each of our Directors and executive officers to the fullest extent permitted by the Israeli Companies Law. We have entered into indemnification agreements with each of our Directors and executive officers, undertaking to indemnify them to the fullest extent permitted by Israeli law, to the extent that these liabilities are not covered by insurance. We have also obtained Directors and Officers insurance for each of our executive officers and Directors.

### Employment Agreements

We have entered into an employment agreement with our named executive officers. For more information regarding these agreements, see "Executive Compensation."

### Share Option Grants to Executive Officers and Directors

We have granted options to purchase our ordinary shares and restricted stock units to our Directors and named executive officers as more fully described in the sections titled "Director Compensation" and "Executive Compensation," respectively.

### Policies and Procedures for Transactions with Related Persons

We adopted a related person transaction policy that sets forth our procedures for the identification, review, consideration and approval or ratification of related person transactions. For purposes of our policy only, a "related person transaction" is a transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which we and any related person are, were or will be participants in which the amount involved exceeds \$120,000. Transactions involving compensation for services provided to us as an employee or director are not covered by this policy. A "related person" is any executive officer, director or beneficial owner of more than 5% of any class of our voting securities, including any of their immediate family members and any entity owned or controlled by such persons.

Under the policy, if a transaction has been identified as a related person transaction, including any transaction that was not a related person transaction when originally consummated or any transaction that was not initially identified as a related person transaction prior to consummation, our management must present information regarding the related person transaction to our Audit Committee or, if Audit Committee approval would be inappropriate, to another independent body of our Board of Directors, for review, consideration and approval or ratification. The presentation must include a description of, among other things, the material facts, interests, direct and indirect, of the related persons, benefits to us of the transaction and whether the transaction is on terms that are comparable to the terms available to or from, as the case may be, an unrelated third party or to or from employees generally. Under the policy, we will collect information that we deem reasonably necessary from each director, executive officer and, to the extent feasible, significant shareholder to enable us to identify any existing or potential related-person transactions and to effectuate the terms of the policy. In addition, under our Code of Conduct, our employees and Directors have an affirmative responsibility to disclose any transaction or relationship that reasonably could be expected to give rise to a conflict of interest. In considering related person transactions, our Audit Committee, or other independent body of our Board of Directors, is required to take into account the relevant available facts and circumstances including, but not limited to:

- the risks, costs and benefits to us;
- the impact on a director's independence in the event that the related person is a director, immediate family member of a director or an entity with which a director is affiliated;
- the availability of other sources for comparable services or products; and
- the terms available to or from, as the case may be, unrelated third parties or to or from employees generally.

The policy requires that, in determining whether to approve, ratify or reject a related person transaction, our Audit Committee, or other independent body of our Board of Directors, must consider, in light of known circumstances, whether the transaction is in, or is not inconsistent with, our best interests and those of our shareholders, as our Audit Committee, or other independent body of our Board of Directors, determines in the good faith exercise of its discretion.

## HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Notices of Internet Availability of Proxy Materials or other annual meeting materials with respect to two or more shareholders sharing the same address by delivering a single Notice of Internet Availability of Proxy Materials addressed to those shareholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for shareholders and cost savings for companies.

This year, a number of brokers with account holders who are shareholders will be “householding” our Proxy Materials. A single Notice of Internet Availability of Proxy Materials will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate Notice of Internet Availability of Proxy Materials or other annual meeting materials, please notify your broker or UroGen. Direct your written request to UroGen Pharma Ltd., Secretary, 400 Alexander Park Drive, 4<sup>th</sup> Floor, Princeton, New Jersey 08540. Shareholders who currently receive multiple copies of the Notices of Internet Availability of Proxy Materials or other annual meeting materials at their addresses and would like to request “householding” of their communications should contact their brokers.

## OTHER MATTERS

The Board, at the time of the preparation of this proxy statement, knows of no other matters to come before the Annual Meeting other than that referred to herein. If any other matters should properly come before the Annual Meeting, the persons named in the proxy card will have discretionary authority to vote all proxies in accordance with his or her best judgment.

By Order of the Board of Directors

- ii. To construe and interpret the Plan and Awards granted under it, and to establish, amend and revoke rules and regulations for administration of the Plan and Awards. The Board, in the exercise of these powers, may correct any defect, omission or inconsistency in the Plan or in any Award Agreement or in the written terms of a Performance Cash Award, in a manner and to the extent it will deem necessary or expedient to make the Plan or Award fully effective.
- iii. To settle all controversies regarding the Plan and Awards granted under it.

- iv. To accelerate, in whole or in part, the time at which an Award may be exercised or vest (or the time at which cash or Ordinary Shares may be issued in settlement thereof).
- v. To suspend or terminate the Plan at any time. Except as otherwise provided in the Plan or an Award Agreement, suspension or termination of the Plan will not materially impair a Participant's rights under the Participant's then-outstanding Award without the Participant's written consent.
- vi. To amend the Plan in any respect the Board deems necessary or advisable, including, without limitation, by adopting amendments relating to Incentive Stock Options and certain nonqualified deferred compensation under Section 409A of the Code and/or bringing the Plan or Awards granted under the Plan into compliance with the requirements for Incentive Stock Options or ensuring that they are exempt from, or compliant with, the requirements for nonqualified deferred compensation under Section 409A of the Code, subject to the limitations, if any, of applicable law. If required by applicable law or listing requirements (taking into account any permissible and effective opting out by the Company from such requirements), and except as provided in Section 1(uu) relating to Capitalization Adjustments, the Company will seek stockholder approval of any amendment of the Plan that (A) materially increases the number of Ordinary Shares available for issuance under the Plan, (B) materially expands the class of individuals eligible to receive Awards under the Plan, (C) materially increases the benefits accruing to Participants under the Plan, (D) materially reduces the price at which Ordinary Shares may be issued or purchased under the Plan, (E) materially extends the term of the Plan, or (F) materially expands the types of Awards available for issuance under the Plan. Except as otherwise provided in the Plan or an Award Agreement, no amendment of the Plan will materially impair a Participant's rights under an outstanding Award without the Participant's written consent.
- vii. To submit any amendment to the Plan for stockholder approval, including, but not limited to, amendments to the Plan intended to satisfy the requirements of (A) Section 162(m) of the Code regarding the exclusion of performance-based compensation from the limit on corporate deductibility of compensation paid to Covered Employees, (B) Section 422 of the Code regarding "incentive stock options" and/or (C) Rule 16b-3.
- viii. To approve forms of Award Agreements for use under the Plan and to amend the terms of any one or more Awards, including, but not limited to, amendments to provide terms more favorable to the Participant than previously provided in the Award Agreement, subject to any specified limits in the Plan that are not subject to Board discretion; *provided, however*, that a Participant's rights under any Award will not be impaired by any such amendment unless (A) the Company requests the consent of the affected Participant, and (B) such Participant consents in writing. Notwithstanding the foregoing, (1) a Participant's rights will not be deemed to have been impaired by any such amendment if the Board, in its sole discretion, determines that the amendment, taken as a whole, does not materially impair the Participant's rights, and (2) subject to the limitations of applicable law, if any, the Board may amend the terms of any one or more Awards without the affected Participant's consent (A) to maintain the qualified status of the Award as an Incentive Stock Option under Section 422 of the Code; (B) to change the terms of an Incentive Stock Option, if such change results in impairment of the Award solely because it impairs the qualified status of the Award as an Incentive Stock Option under Section 422 of the Code; (C) to clarify the manner of exemption from, or to bring the Award into compliance with, Section 409A of the Code; and/or (D) to comply with other applicable laws or listing requirements.

- ix. Generally, to exercise such powers and to perform such acts as the Board deems necessary or expedient to promote the best interests of the Company and that are not in conflict with the provisions of the Plan or Awards.
- x. To adopt such procedures and sub-plans as are necessary or appropriate to permit participation in the Plan by Employees, Directors or Consultants who are not United States nationals or who are employed outside the United States (provided that Board approval will not be necessary for immaterial modifications to the Plan or any Award Agreement that are required for compliance with the laws of the relevant foreign jurisdiction).

**(c) Delegation to Committee.**

**General.** The Board may delegate some or all of the administration of the Plan to a Committee or Committees. If administration of the Plan is delegated to a Committee, the Committee will have, in connection with the administration of the Plan, the powers theretofore possessed by the Board that have been delegated to the Committee, including the power to delegate to a subcommittee of the Committee any of the administrative powers the Committee is authorized to exercise (and references in this Plan to the Board will thereafter be to the Committee or subcommittee, as applicable). Any delegation of administrative powers will be reflected in resolutions, not inconsistent with the provisions of the Plan, adopted from time to time by the Board or Committee (as applicable). The Board may retain the authority to concurrently administer the Plan with the Committee and may, at any time, revert in the Board some or all of the powers previously delegated.

**Section 162(m) and Rule 16b-3 Compliance.** The Committee may consist solely of two or more Outside Directors, in accordance with Section 162(m) of the Code, or solely of two or more Non-Employee Directors, in accordance with Rule 16b-3.

**(d) Delegation to an Officer.** The Board may delegate to one (1) or more Officers the authority to do one or both of the following (i) designate Employees who are not Officers to be recipients of Options and SARs (and, to the extent permitted by applicable law, other Stock Awards) and, to the extent permitted by applicable law, the terms of such Awards, and (ii) determine the number of Ordinary Shares to be subject to such Stock Awards granted to such Employees; *provided, however*, that the Board resolutions regarding such delegation will specify the total number of Ordinary Shares that may be subject to the Stock Awards granted by such Officer and that such Officer may not grant a Stock Award to himself or herself. Any such Stock Awards will be granted on the form of Stock Award Agreement most recently approved for use by the Committee or the Board, unless otherwise provided in the resolutions approving the delegation authority. The Board may not delegate authority to an Officer who is acting solely in the capacity of an Officer (and not also as a Director) to determine Fair Market Value

**(e) No Repricing of Awards.** Neither the Board nor any Committee will have the authority to (i) reduce the exercise or strike price of any outstanding Option or SAR or (ii) cancel any outstanding Option or SAR that has an exercise or strike price (per share) greater than the then-current Fair Market Value of the Ordinary Shares in exchange for cash or other Stock Awards under the Plan, unless the shareholders of the Company have approved such an action within twelve (12) months prior to such an event.

**(f) Effect of Board's Decision.** All determinations, interpretations and constructions made by the Board in good faith will not be subject to review by any person and will be final, binding and conclusive on all persons.

**3. SHARES SUBJECT TO THE PLAN.**

**(a) Share Reserve.** Subject to Section 9(a) relating to Capitalization Adjustments, the aggregate number of Ordinary Shares that may be issued pursuant to Stock Awards from and after the Effective Date will not exceed 4,350,167 shares (the "**Share Reserve**"). For clarity, the Share Reserve in this Section 0 is a limitation on the number of Ordinary Shares that may be issued pursuant to the Plan. Accordingly, this Section 0 does not limit the granting of Stock Awards except as provided in Section 1(ff). Shares may be issued in connection with a merger or

acquisition as permitted by NASDAQ Listing Rule 5635(c) or, if applicable, NYSE Listed Company Manual Section 303A.08, AMEX Company Guide Section 711 or other applicable rule, and such issuance will not reduce the number of shares available for issuance under the Plan.

**(b) Reversion of Shares to the Share Reserve.** If a Stock Award or any portion thereof (i) expires or otherwise terminates without all of the shares covered by such Stock Award having been issued or (ii) is settled in cash (*i.e.*, the Participant receives cash rather than stock), such expiration, termination or settlement will not reduce (or otherwise offset) the number of Ordinary Shares that may be available for issuance under the Plan and the Ordinary Shares relating to such Stock Award (or portion thereof) will again become available for issuance under the Plan. If any Ordinary Shares issued pursuant to a Stock Award are forfeited back to or repurchased by the Company because of the failure to meet a contingency or condition required to vest such shares in the Participant, then the shares that are forfeited or repurchased will revert to and again become available for issuance under the Plan. Any shares reacquired by the Company in satisfaction of tax withholding obligations on a Stock Award or as consideration for the exercise or purchase price of a Stock Award will again become available for issuance under the Plan.

**(c) Incentive Stock Option Limit.** Subject to the provisions of Section 1(uu) relating to Capitalization Adjustments, the aggregate maximum number of Ordinary Shares that may be issued pursuant to the exercise of Incentive Stock Options will be 5,600,000 Ordinary Shares.

**(d) Section 162(m) Limitations.** Subject to the provisions of Section 1(uu) relating to Capitalization Adjustments, at such time as the Company may be subject to the applicable provisions of Section 162(m) of the Code, the following limitations shall apply.

A maximum of 500,000 Ordinary Shares subject to Options, SARs and Other Stock Awards whose value is determined by reference to an increase over an exercise or strike price of at least 100% of the Fair Market Value on the date the Stock Award is granted may be granted to any one Participant during any one calendar year. Notwithstanding the foregoing, if any additional Options, SARs or Other Stock Awards whose value is determined by reference to an increase over an exercise or strike price of at least 100% of the Fair Market Value on the date the Stock Award are granted to any Participant during any calendar year, compensation attributable to the exercise of such additional Stock Awards will not satisfy the requirements to be considered “qualified performance-based compensation” under Section 162(m) of the Code unless such additional Stock Award is approved by the Company’s stockholders.

A maximum of 500,000 Ordinary Shares subject to Performance Stock Awards may be granted to any one Participant during any one calendar year (whether the grant, vesting or exercise is contingent upon the attainment during the Performance Period of the Performance Goals).

A maximum of \$3.0 million may be granted as a Performance Cash Award to any one Participant during any one calendar year.

**(e) Source of Shares.** The stock issuable under the Plan will be shares of authorized but unissued or reacquired Ordinary Shares, including shares repurchased by the Company on the open market or otherwise.

#### **4. ELIGIBILITY.**

**(a) Eligibility for Specific Stock Awards.** Incentive Stock Options may be granted only to employees of the Company or a “parent corporation” or “subsidiary corporation” thereof (as such terms are defined in Sections 424(e) and 424(f) of the Code). Stock Awards other than Incentive Stock Options may be granted to Employees, Directors and Consultants; *provided, however*, that Stock Awards may not be granted to Employees, Directors and Consultants who are providing Continuous Service only to any “parent” of the Company, as such term is defined in Rule 405 of the Securities Act, unless (i) the stock underlying such Stock Awards is treated as “service recipient stock” under Section 409A of the Code (for example, because the Stock Awards are granted pursuant to a corporate

transaction such as a spin off transaction), (ii) the Company, in consultation with its legal counsel, has determined that such Stock Awards are otherwise exempt from Section 409A of the Code, or (iii) the Company, in consultation with its legal counsel, has determined that such Stock Awards comply with the distribution requirements of Section 409A of the Code.

**(b) Ten Percent Stockholders.** A Ten Percent Stockholder will not be granted an Incentive Stock Option unless the exercise price of such Option is at least 110% of the Fair Market Value on the date of grant and the Option is not exercisable after the expiration of five years from the date of grant.

## 5. PROVISIONS RELATING TO OPTIONS AND STOCK APPRECIATION RIGHTS.

Each Option or SAR will be in such form and will contain such terms and conditions as the Board deems appropriate. All Options will be separately designated Incentive Stock Options or Nonstatutory Stock Options at the time of grant, and, if certificates are issued, a separate certificate or certificates will be issued for Ordinary Shares purchased on exercise of each type of Option. If an Option is not specifically designated as an Incentive Stock Option, or if an Option is designated as an Incentive Stock Option but some portion or all of the Option fails to qualify as an Incentive Stock Option under the applicable rules, then the Option (or portion thereof) will be a Nonstatutory Stock Option. The provisions of separate Options or SARs need not be identical; *provided, however*, that each Award Agreement will conform to (through incorporation of provisions hereof by reference in the applicable Award Agreement or otherwise) the substance of each of the following provisions:

**(a) Term.** Subject to the provisions of Section 1(o) regarding Ten Percent Stockholders, no Option or SAR will be exercisable after the expiration of ten years from the date of its grant or such shorter period specified in the Award Agreement.

**(b) Exercise Price.** Subject to the provisions of Section 1(o) regarding Ten Percent Stockholders, the exercise or strike price of each Option or SAR will be not less than 100% of the Fair Market Value of the Ordinary Shares subject to the Option or SAR on the date the Award is granted. Notwithstanding the foregoing, an Option or SAR may be granted with an exercise or strike price lower than 100% of the Fair Market Value of the Ordinary Shares subject to the Award if such Award is granted pursuant to an assumption of or substitution for another option or stock appreciation right pursuant to a Corporate Transaction and in a manner consistent with the provisions of Section 409A and, if applicable, Section 424(a) of the Code. Each SAR will be denominated in Ordinary Shares equivalents.

**(c) Purchase Price for Options.** The purchase price of Ordinary Shares acquired pursuant to the exercise of an Option may be paid, to the extent permitted by applicable law and as determined by the Board in its sole discretion, by any combination of the methods of payment set forth below. The Board will have the authority to grant Options that do not permit all of the following methods of payment (or otherwise restrict the ability to use certain methods) and to grant Options that require the consent of the Company to use a particular method of payment. The permitted methods of payment are as follows:

by cash, check, bank draft or money order payable to the Company;

pursuant to a program developed under Regulation T as promulgated by the Federal Reserve Board that, prior to the issuance of the stock subject to the Option, results in either the receipt of cash (or check) by the Company or the receipt of irrevocable instructions to pay the aggregate exercise price to the Company from the sales proceeds;

by delivery to the Company (either by actual delivery or attestation) of Ordinary Shares;

if an Option is a Nonstatutory Stock Option, by a “net exercise” arrangement pursuant to which the Company will reduce the number of Ordinary Shares issuable upon exercise by the largest whole number of shares with a Fair Market Value that does not exceed the aggregate exercise price; *provided, however*, that the Company will accept a cash or other payment from the Participant to the extent of any remaining balance of the aggregate exercise price not satisfied by such reduction in the number of whole shares to be issued. Ordinary Shares will no longer be subject to an Option and will not be exercisable thereafter to the extent that (A) shares issuable upon exercise are used to pay the exercise price pursuant to the “net exercise,” (B) shares are delivered to the Participant as a result of such exercise, and (C) shares are withheld to satisfy tax withholding obligations; or

in any other form of legal consideration that may be acceptable to the Board and specified in the applicable Award Agreement.

**(d) Exercise and Payment of a SAR.** To exercise any outstanding SAR, the Participant must provide written notice of exercise to the Company in compliance with the provisions of the Stock Appreciation Right Agreement evidencing such SAR. The appreciation distribution payable on the exercise of a SAR will be not greater than an amount equal to the excess of (A) the aggregate Fair Market Value (on the date of the exercise of the SAR) of a number of Ordinary Shares equal to the number of Ordinary Share equivalents in which the Participant is vested under such SAR, and with respect to which the Participant is exercising the SAR on such date, over (B) the aggregate strike price of the number of Ordinary Share equivalents with respect to which the Participant is exercising the SAR on such date. The appreciation distribution may be paid in Ordinary Shares, in cash, in any combination of the two or in any other form of consideration, as determined by the Board and contained in the Award Agreement evidencing such SAR.

**(e) Transferability of Options and SARs.** The Board may, in its sole discretion, impose such limitations on the transferability of Options and SARs as the Board will determine. In the absence of such a determination by the Board to the contrary, the following restrictions on the transferability of Options and SARs will apply:

**Restrictions on Transfer.** An Option or SAR will not be transferable except by will or by the laws of descent and distribution (or pursuant to subsections (ii) and (iii) below), and will be exercisable during the lifetime of the Participant only by the Participant. The Board may permit transfer of the Option or SAR in a manner that is not prohibited by applicable tax and securities laws. Except as explicitly provided in the Plan, neither an Option nor a SAR may be transferred for consideration.

**Domestic Relations Orders.** Subject to the approval of the Board or a duly authorized Officer, an Option or SAR may be transferred pursuant to the terms of a domestic relations order, official marital settlement agreement or other divorce or separation instrument as permitted by Treasury Regulations Section 1.421-1(b)(2). If an Option is an Incentive Stock Option, such Option may be deemed to be a Nonstatutory Stock Option as a result of such transfer.

**Beneficiary Designation.** Subject to the approval of the Board or a duly authorized Officer, a Participant may, by delivering written notice to the Company, in a form approved by the Company (or the designated broker), designate a third party who, on the death of the Participant, will thereafter be entitled to exercise the Option or SAR and receive the Ordinary Shares or other consideration resulting from such exercise. In the absence of such a designation, upon the death of the Participant, the executor or administrator of the Participant’s estate will be entitled to exercise the Option or SAR and receive the Ordinary Shares or other consideration resulting from such exercise. However, the Company may prohibit designation of a beneficiary at any time, including due to any conclusion by the Company that such designation would be inconsistent with the provisions of applicable laws.

**(f) Vesting Generally.** The total number of Ordinary Shares subject to an Option or SAR may vest and become exercisable in periodic installments that may or may not be equal. The Option or SAR may be subject to such other terms and conditions on the time or times when it may or may not be exercised (which may be based on the satisfaction of Performance Goals or other criteria) as the Board may deem appropriate. The vesting provisions

of individual Options or SARs may vary. The provisions of this Section 1(u) are subject to any Option or SAR provisions governing the minimum number of Ordinary Shares as to which an Option or SAR may be exercised.

**(g) Termination of Continuous Service.** Except as otherwise provided in the applicable Award Agreement or other agreement between the Participant and the Company, if a Participant's Continuous Service terminates (other than for Cause and other than upon the Participant's death or Disability), the Participant may exercise his or her Option or SAR (to the extent that the Participant was entitled to exercise such Award as of the date of termination of Continuous Service) within the period of time ending on the earlier of (i) the date which occurs ninety (90) days following the termination of the Participant's Continuous Service (or such longer or shorter period specified in the applicable Award Agreement), and (ii) the expiration of the term of the Option or SAR as set forth in the Award Agreement. If, after termination of Continuous Service, the Participant does not exercise his or her Option or SAR (as applicable) within the applicable time frame, the Option or SAR will terminate.

**(h) Extension of Termination Date.** If the exercise of an Option or SAR following the termination of the Participant's Continuous Service (other than for Cause and other than upon the Participant's death or Disability) would be prohibited at any time solely because the issuance of Ordinary Shares would violate the registration requirements under the Securities Act, then the Option or SAR will terminate on the earlier of (i) the expiration of a total period of time (that need not be consecutive) equal to the applicable post termination exercise period after the termination of the Participant's Continuous Service during which the exercise of the Option or SAR would not be in violation of such registration requirements, and (ii) the expiration of the term of the Option or SAR as set forth in the applicable Award Agreement. In addition, unless otherwise provided in a Participant's Award Agreement, if the sale of any Ordinary Shares received on exercise of an Option or SAR following the termination of the Participant's Continuous Service (other than for Cause) would violate the Company's insider trading policy, then the Option or SAR will terminate on the earlier of (i) the expiration of the period of days or months (that need not be consecutive) equal to the applicable post-termination exercise period after the termination of the Participant's Continuous Service during which the sale of the Ordinary Shares received upon exercise of the Option or SAR would not be in violation of the Company's insider trading policy, or (ii) the expiration of the term of the Option or SAR as set forth in the applicable Award Agreement.

**(i) Disability of Participant.** Except as otherwise provided in the applicable Award Agreement or other agreement between the Participant and the Company, if a Participant's Continuous Service terminates as a result of the Participant's Disability, the Participant may exercise his or her Option or SAR (to the extent that the Participant was entitled to exercise such Option or SAR as of the date of termination of Continuous Service), but only within such period of time ending on the earlier of (i) the date which occurs 12 months following such termination of Continuous Service (or such longer or shorter period specified in the Award Agreement), and (ii) the expiration of the term of the Option or SAR as set forth in the Award Agreement. If, after termination of Continuous Service, the Participant does not exercise his or her Option or SAR within the applicable time frame, the Option or SAR (as applicable) will terminate.

**(j) Death of Participant.** Except as otherwise provided in the applicable Award Agreement or other agreement between the Participant and the Company, if (i) a Participant's Continuous Service terminates as a result of the Participant's death, or (ii) the Participant dies within the period (if any) specified in the Award Agreement for exercisability after the termination of the Participant's Continuous Service for a reason other than death, then the Option or SAR may be exercised (to the extent the Participant was entitled to exercise such Option or SAR as of the date of death) by the Participant's estate, by a person who acquired the right to exercise the Option or SAR by bequest or inheritance or by a person designated to exercise the Option or SAR upon the Participant's death, but only within the period ending on the earlier of (i) the date which occurs 18 months following the date of death (or such longer or shorter period specified in the Award Agreement), and (ii) the expiration of the term of such Option or SAR as set forth in the Award Agreement. If, after the Participant's death, the Option or SAR is not exercised within the applicable time frame, the Option or SAR (as applicable) will terminate.

**(k) Termination for Cause.** Except as explicitly provided otherwise in a Participant's Award Agreement or other individual written agreement between the Company or any Affiliate and the Participant, if a Participant's Continuous Service is terminated for Cause, the Option or SAR will terminate immediately upon such Participant's termination of Continuous Service, and the Participant will be prohibited from exercising his or her Option or SAR from and after the date of such termination of Continuous Service.

**(l) Non-Exempt Employees.** If an Option or SAR is granted to an Employee who is a non-exempt employee for purposes of the Fair Labor Standards Act of 1938, as amended, the Option or SAR will not be first exercisable for any Ordinary Shares until at least six months following the date of grant of the Option or SAR (although the Award may vest prior to such date). Consistent with the provisions of the Worker Economic Opportunity Act, (i) if such non-exempt Employee dies or suffers a Disability, (ii) upon a Corporate Transaction in which such Option or SAR is not assumed, continued, or substituted, (iii) upon a Change in Control, or (iv) upon the Participant's retirement (as such term may be defined in the Participant's Award Agreement in another agreement between the Participant and the Company, or, if no such definition, in accordance with the Company's then current employment policies and guidelines), the vested portion of any Options and SARs may be exercised earlier than six months following the date of grant. The foregoing provision is intended to operate so that any income derived by a non-exempt employee in connection with the exercise or vesting of an Option or SAR will be exempt from his or her regular rate of pay. To the extent permitted and/or required for compliance with the Worker Economic Opportunity Act to ensure that any income derived by a non-exempt employee in connection with the exercise, vesting or issuance of any shares under any other Stock Award will be exempt from the employee's regular rate of pay, the provisions of this Section 5(l) will apply to all Stock Awards and are hereby incorporated by reference into such Stock Award Agreements.

## 6. PROVISIONS OF STOCK AWARDS OTHER THAN OPTIONS AND SARs.

**(a) Restricted Stock Awards.** Each Restricted Stock Award Agreement will be in such form and will contain such terms and conditions as the Board will deem appropriate. To the extent consistent with the Company's articles of association, at the Board's election, Ordinary Shares may be (x) held in book entry form subject to the Company's instructions until any restrictions relating to the Restricted Stock Award lapse; or (y) evidenced by a certificate, which certificate will be held in such form and manner as determined by the Board. The terms and conditions of Restricted Stock Award Agreements may change from time to time, and the terms and conditions of separate Restricted Stock Award Agreements need not be identical. Each Restricted Stock Award Agreement will conform to (through incorporation of the provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:

**Consideration.** A Restricted Stock Award may be awarded in consideration for (A) cash, check, bank draft or money order payable to the Company, (B) past services to the Company or an Affiliate, or (C) any other form of legal consideration (including future services) that may be acceptable to the Board, in its sole discretion, and permissible under applicable law.

**Vesting.** Ordinary Shares awarded under the Restricted Stock Award Agreement may be subject to forfeiture to the Company in accordance with a vesting schedule to be determined by the Board.

**Termination of Participant's Continuous Service.** If a Participant's Continuous Service terminates, the Company may receive through a forfeiture condition or a repurchase right any or all of the Ordinary Shares held by the Participant that have not vested as of the date of termination of Continuous Service under the terms of the Restricted Stock Award Agreement.

**Transferability.** Rights to acquire Ordinary Shares under the Restricted Stock Award Agreement will be transferable by the Participant only upon such terms and conditions as are set forth in the Restricted Stock

Award Agreement, as the Board will determine in its sole discretion, so long as Ordinary Shares awarded under the Restricted Stock Award Agreement remains subject to the terms of the Restricted Stock Award Agreement.

**Dividends.** A Restricted Stock Award Agreement may provide that any dividends paid on Restricted Stock will be subject to the same vesting and forfeiture restrictions as apply to the shares subject to the Restricted Stock Award to which they relate.

**(b) Restricted Stock Unit Awards.** Each Restricted Stock Unit Award Agreement will be in such form and will contain such terms and conditions as the Board will deem appropriate. The terms and conditions of Restricted Stock Unit Award Agreements may change from time to time, and the terms and conditions of separate Restricted Stock Unit Award Agreements need not be identical. Each Restricted Stock Unit Award Agreement will conform to (through incorporation of the provisions hereof by reference in the Agreement or otherwise) the substance of each of the following provisions:

**Consideration.** At the time of grant of a Restricted Stock Unit Award, the Board will determine the consideration, if any, to be paid by the Participant upon delivery of each share of Ordinary Shares subject to the Restricted Stock Unit Award. The consideration to be paid (if any) by the Participant for each share of Ordinary Shares subject to a Restricted Stock Unit Award may be paid in any form of legal consideration that may be acceptable to the Board, in its sole discretion, and permissible under applicable law.

**Vesting.** At the time of the grant of a Restricted Stock Unit Award, the Board may impose such restrictions on or conditions to the vesting of the Restricted Stock Unit Award as it, in its sole discretion, deems appropriate.

**Payment.** A Restricted Stock Unit Award may be settled by the delivery of Ordinary Shares, their cash equivalent, any combination thereof or in any other form of consideration, as determined by the Board and contained in the Restricted Stock Unit Award Agreement.

**Additional Restrictions.** At the time of the grant of a Restricted Stock Unit Award, the Board, as it deems appropriate, may impose such restrictions or conditions that delay the delivery of the Ordinary Shares (or their cash equivalent) subject to a Restricted Stock Unit Award to a time after the vesting of such Restricted Stock Unit Award.

**Dividend Equivalents.** Dividend equivalents may be credited in respect of Ordinary Shares covered by a Restricted Stock Unit Award, as determined by the Board and contained in the Restricted Stock Unit Award Agreement. At the sole discretion of the Board, such dividend equivalents may be converted into additional Ordinary Shares covered by the Restricted Stock Unit Award in such manner as determined by the Board. Any additional shares covered by the Restricted Stock Unit Award credited by reason of such dividend equivalents will be subject to all of the same terms and conditions of the underlying Restricted Stock Unit Award Agreement to which they relate.

**Termination of Participant's Continuous Service.** Except as otherwise provided in the applicable Restricted Stock Unit Award Agreement, such portion of the Restricted Stock Unit Award that has not vested will be forfeited upon the Participant's termination of Continuous Service.

**(c) Performance Awards.**

**Performance Stock Awards.** A Performance Stock Award is a Stock Award (covering a number of shares not in excess of that set forth in Section 3(d) above) that is payable (including that may be granted, may vest or may be exercised) contingent upon the attainment during a Performance Period of certain Performance Goals. A Performance Stock Award may but need not require the Participant's completion of a specified period of Continuous Service. The length of any Performance Period, the Performance Goals to be achieved during the Performance Period, and the measure of whether and to what degree such Performance Goals have been attained will be

conclusively determined by the Committee (or, if not required for compliance with Section 162(m) of the Code, the Board), in its sole discretion. In addition, to the extent permitted by applicable law and the applicable Award Agreement, the Board or the Committee may determine that cash may be used in payment of Performance Stock Awards.

**Performance Cash Awards.** A Performance Cash Award is a cash award (for a dollar value not in excess of that set forth in Section 3(d) above) that is payable contingent upon the attainment during a Performance Period of certain Performance Goals. A Performance Cash Award may also require the completion of a specified period of Continuous Service. At the time of grant of a Performance Cash Award, the length of any Performance Period, the Performance Goals to be achieved during the Performance Period, and the measure of whether and to what degree such Performance Goals have been attained will be conclusively determined by the Committee (or, if not required for compliance with Section 162(m) of the Code, the Board), in its sole discretion. The Board or the Committee may specify the form of payment of Performance Cash Awards, which may be cash or other property, or may provide for a Participant to have the option for his or her Performance Cash Award, or such portion thereof as the Board or the Committee may specify, to be paid in whole or in part in cash or other property.

**Board and Committee Discretion.** The Board and the Committee retain the discretion to reduce or eliminate the compensation or economic benefit due upon attainment of Performance Goals and to define the manner of calculating the Performance Criteria it selects to use for a Performance Period. Partial achievement of the specified criteria may result in the payment or vesting corresponding to the degree of achievement as specified in the Stock Award Agreement or the written terms of a Performance Cash Award.

**Section 162(m) Compliance.** Unless otherwise permitted in compliance with the requirements of Section 162(m) of the Code with respect to an Award intended to qualify as “performance-based compensation” thereunder, the Committee will establish the Performance Goals applicable to, and the formula for calculating the amount payable under, the Award no later than the earlier of (a) the date which occurs 90 days after the commencement of the applicable Performance Period, and (b) the date on which 25% of the Performance Period has elapsed, and in any event at a time when the achievement of the applicable Performance Goals remains substantially uncertain. Prior to the payment of any compensation under an Award intended to qualify as “performance-based compensation” under Section 162(m) of the Code, the Committee will certify the extent to which any Performance Goals and any other material terms under such Award have been satisfied (other than in cases where such Performance Goals relate solely to the increase in the value of the Ordinary Shares). Notwithstanding satisfaction of, or completion of any Performance Goals, the number of Ordinary Shares, Options, cash or other benefits granted, issued, retainable and/or vested under an Award on account of satisfaction of such Performance Goals may be reduced by the Committee on the basis of such further considerations as the Committee, in its sole discretion, will determine.

**(d) Other Stock Awards.** Other forms of Stock Awards valued in whole or in part by reference to, or otherwise based on, Ordinary Shares, including the appreciation in value thereof (e.g., options or stock rights with an exercise price or strike price less than 100% of the Fair Market Value of the Ordinary Shares at the time of grant) may be granted either alone or in addition to Stock Awards provided for under Section 0 and the preceding provisions of this Section 0. Subject to the provisions of the Plan, the Board will have sole and complete authority to determine the persons to whom and the time or times at which such Other Stock Awards will be granted, the number of Ordinary Shares (or the cash equivalent thereof) to be granted pursuant to such Other Stock Awards and all other terms and conditions of such Other Stock Awards.

## 7. COVENANTS OF THE COMPANY.

**(a) Availability of Shares.** The Company will keep available at all times the number of Ordinary Shares reasonably required to satisfy then-outstanding Awards.

**(b) Securities Law Compliance.** The Company will seek to obtain from each regulatory commission or agency having jurisdiction over the Plan such authority as may be required to grant Stock Awards and to issue and sell Ordinary Shares upon exercise of the Stock Awards; *provided, however*, that this undertaking will not require the Company to register under the Securities Act the Plan, any Stock Award or any Ordinary Shares issued or issuable pursuant to any such Stock Award. If, after reasonable efforts and at a reasonable cost, the Company is unable to obtain from any such regulatory commission or agency the authority that counsel for the Company deems necessary for the lawful issuance and sale of Ordinary Shares under the Plan, the Company will be relieved from any liability for failure to issue and sell Ordinary Shares upon exercise of such Stock Awards unless and until such authority is obtained. A Participant will not be eligible for the grant of an Award or the subsequent issuance of cash or Ordinary Shares pursuant to the Award if such grant or issuance would be in violation of any applicable securities law.

**(c) No Obligation to Notify or Minimize Taxes.** The Company will have no duty or obligation to any Participant to advise such holder as to the time or manner of exercising such Stock Award. Furthermore, the Company will have no duty or obligation to warn or otherwise advise such holder of a pending termination or expiration of an Award or a possible period in which the Award may not be exercised. The Company has no duty or obligation to minimize the tax consequences of an Award to the holder of such Award.

## **8. MISCELLANEOUS.**

**(a) Use of Proceeds from Sales of Ordinary Shares.** Proceeds from the sale of Ordinary Shares pursuant to Awards will constitute general funds of the Company.

**(b) Corporate Action Constituting Grant of Awards.** Corporate action constituting a grant by the Company of an Award to any Participant will be deemed completed as of the date of such corporate action, unless otherwise determined by the Board, regardless of when the instrument, certificate, or letter evidencing the Award is communicated to, or actually received or accepted by, the Participant. In the event that the corporate records (e.g., Board consents, resolutions or minutes) documenting the corporate action constituting the grant contain terms (e.g., exercise price, vesting schedule or number of shares) that are inconsistent with those in the Award Agreement or related grant documents as a result of a clerical error in the papering of the Award Agreement or related grant documents, the corporate records will control and the Participant will have no legally binding right to the incorrect term in the Award Agreement or related grant documents.

**(c) Stockholder Rights.** No Participant will be deemed to be the holder of, or to have any of the rights of a holder with respect to, any Ordinary Shares subject to an Award unless and until (i) such Participant has satisfied all requirements for exercise of, or the issuance of Ordinary Shares under, the Award pursuant to its terms, and (ii) the issuance of the Ordinary Shares subject to such Award has been entered into the books and records of the Company.

**(d) No Employment or Other Service Rights.** Nothing in the Plan, any Award Agreement or any other instrument executed thereunder or in connection with any Award granted pursuant thereto will confer upon any Participant any right to continue to serve the Company or an Affiliate in the capacity in effect at the time the Award was granted or will affect the right of the Company or an Affiliate to terminate (i) the employment of an Employee with or without notice and with or without cause, (ii) the service of a Consultant pursuant to the terms of such Consultant's agreement with the Company or an Affiliate, or (iii) the service of a Director pursuant to the articles of association of the Company or an Affiliate, and any applicable provisions of the corporate law of the jurisdiction in which the Company or the Affiliate is incorporated, as the case may be.

**(e) Change in Time Commitment.** In the event a Participant's regular level of time commitment in the performance of his or her services for the Company and any Affiliates is reduced (for example, and without limitation, if the Participant is an Employee of the Company and the Employee has a change in status from a full-time Employee to a part-time Employee or takes an extended leave of absence) after the date of grant of any Award to the Participant, the Board has the right in its sole discretion to (x) make a corresponding reduction in the number

of shares or cash amount subject to any portion of such Award that is scheduled to vest or become payable after the date of such change in time commitment, and (y) in lieu of or in combination with such a reduction, extend the vesting or payment schedule applicable to such Award. In the event of any such reduction, the Participant will have no right with respect to any portion of the Award that is so reduced or extended.

**(f) Incentive Stock Option Limitations.** To the extent that the aggregate Fair Market Value (determined at the time of grant) of Ordinary Shares with respect to which Incentive Stock Options are exercisable for the first time by any Optionholder during any calendar year (under all plans of the Company and any Affiliates) exceeds \$100,000 (or such other limit established in the Code) or otherwise does not comply with the rules governing Incentive Stock Options, the Options or portions thereof that exceed such limit (according to the order in which they were granted) or otherwise do not comply with such rules will be treated as Nonstatutory Stock Options, notwithstanding any contrary provision of the applicable Option Agreement(s).

**(g) Investment Assurances.** The Company may require a Participant, as a condition of exercising or acquiring Ordinary Shares under any Award, (i) to give written assurances satisfactory to the Company as to the Participant's knowledge and experience in financial and business matters and/or to employ a purchaser representative reasonably satisfactory to the Company who is knowledgeable and experienced in financial and business matters and that such Participant is capable of evaluating, alone or together with the purchaser representative, the merits and risks of exercising the Award; and (ii) to give written assurances satisfactory to the Company stating that the Participant is acquiring Ordinary Shares subject to the Award for the Participant's own account and not with any present intention of selling or otherwise distributing the Ordinary Shares. The foregoing requirements, and any assurances given pursuant to such requirements, will be inoperative if (A) the issuance of the shares upon the exercise or acquisition of Ordinary Shares under the Award has been registered under a then currently effective registration statement under the Securities Act, or (B) as to any particular requirement, a determination is made by counsel for the Company that such requirement need not be met in the circumstances under the then applicable securities laws. The Company may, upon advice of counsel to the Company, place legends on stock certificates issued under the Plan as such counsel deems necessary or appropriate in order to comply with applicable securities laws, including, but not limited to, legends restricting the transfer of the Ordinary Shares.

**(h) Withholding Obligations.** Unless prohibited by the terms of an Award Agreement, the Company may, in its sole discretion, satisfy any federal, state or local tax withholding obligation relating to an Award by any of the following means or by a combination of such means: (i) causing the Participant to tender a cash payment; (ii) withholding Ordinary Shares from the Ordinary Shares issued or otherwise issuable to the Participant in connection with the Award; *provided, however*, that no Ordinary Shares are withheld with a value exceeding the minimum amount of tax required to be withheld by law (or such lesser amount as may be necessary to avoid classification of the Stock Award as a liability for financial accounting purposes); (iii) withholding cash from an Award settled in cash; (iv) withholding payment from any amounts otherwise payable to the Participant; or (v) by such other method as may be set forth in the Award Agreement.

**(i) Electronic Delivery.** Any reference herein to a “written” agreement or document will include any agreement or document delivered electronically, filed publicly at [www.sec.gov](http://www.sec.gov) (or any successor website thereto) or posted on the Company’s intranet (or other shared electronic medium controlled by the Company to which the Participant has access).

**(j) Deferrals.** To the extent permitted by applicable law, the Board, in its sole discretion, may determine that the delivery of Ordinary Shares or the payment of cash, upon the exercise, vesting or settlement of all or a portion of any Award may be deferred and may establish programs and procedures for deferral elections to be made by Participants. Deferrals by Participants will be made in accordance with Section 409A of the Code. Consistent with Section 409A of the Code, the Board may provide for distributions while a Participant is still an employee or otherwise providing services to the Company. The Board is authorized to make deferrals of Awards and determine when, and in what annual percentages, Participants may receive payments, including lump sum payments, following the Participant’s termination of Continuous Service, and implement such other terms and conditions consistent with the provisions of the Plan and in accordance with applicable law.

**(k) Compliance with Section 409A of the Code.** Unless otherwise expressly provided for in an Award Agreement, the Plan and Award Agreements will be interpreted to the greatest extent possible in a manner that makes the Plan and the Awards granted hereunder exempt from Section 409A of the Code, and, to the extent not so exempt, in compliance with Section 409A of the Code. If the Board determines that any Award granted hereunder is not exempt from and is therefore subject to Section 409A of the Code, the Award Agreement evidencing such Award will incorporate the terms and conditions necessary to avoid the consequences specified in Section 409A(a)(1) of the Code, and to the extent an Award Agreement is silent on terms necessary for compliance, such terms are hereby incorporated by reference into the Award Agreement. Notwithstanding anything to the contrary in this Plan (and unless the Award Agreement specifically provides otherwise), if the Ordinary Shares are publicly traded, and if a Participant holding an Award that constitutes “deferred compensation” under Section 409A of the Code is a “specified employee” for purposes of Section 409A of the Code, no distribution or payment of any amount that is due because of a “separation from service” (as defined in Section 409A of the Code without regard to alternative definitions thereunder) will be issued or paid before the date that is six months following the date of such Participant’s “separation from service” (as defined in Section 409A of the Code without regard to alternative definitions thereunder) or, if earlier, the date of the Participant’s death, unless such distribution or payment can be made in a manner that complies with Section 409A of the Code, and any amounts so deferred will be paid in a lump sum on the day after such six month period elapses, with the balance paid thereafter on the original schedule.

**(l) Clawback/Recovery.** All Awards granted under the Plan will be subject to recoupment in accordance with any clawback policy that the Company is required to adopt pursuant to the listing standards of any national securities exchange or association on which the Company’s securities are listed or as is otherwise required by the Dodd-Frank Wall Street Reform and Consumer Protection Act or other applicable law. In addition, the Board may impose such other clawback, recovery or recoupment provisions in an Award Agreement as the Board determines necessary or appropriate, including but not limited to a reacquisition right in respect of previously acquired Ordinary Shares or other cash or property upon the occurrence of an event constituting Cause. No recovery of compensation under such a clawback policy will be an event giving rise to a right to resign for “good reason” or “constructive termination” (or similar term) under any agreement with the Company.

#### **ADJUSTMENTS UPON CHANGES IN ORDINARY SHARES; OTHER CORPORATE EVENTS.**

**(a) Capitalization Adjustments.** In the event of a Capitalization Adjustment, the Board will appropriately and proportionately adjust: (i) the class(es) and maximum number of securities subject to the Plan pursuant to Section 0, (ii) the class(es) and maximum number of securities that may be issued pursuant to the exercise of Incentive Stock Options pursuant to Section 1(k), (iii) the class(es) and maximum number of securities that may be awarded to any person pursuant to Sections (l), and (iv) the class(es) and number of securities and price per share of stock subject to outstanding Stock Awards. The Board will make such adjustments, and its determination will be final, binding and conclusive.

**(b) Dissolution or Liquidation.** Except as otherwise provided in the Stock Award Agreement, in the event of a dissolution or liquidation of the Company, all outstanding Stock Awards (other than Stock Awards consisting of vested and outstanding Ordinary Shares not subject to a forfeiture condition or the Company's right of repurchase) will terminate immediately prior to the completion of such dissolution or liquidation, and the Ordinary Shares subject to the Company's repurchase rights or subject to a forfeiture condition may be repurchased or reacquired by the Company notwithstanding the fact that the holder of such Stock Award is providing Continuous Service; *provided, however*, that the Board may, in its sole discretion, cause some or all Stock Awards to become fully vested, exercisable and/or no longer subject to repurchase or forfeiture (to the extent such Stock Awards have not previously expired or terminated) before the dissolution or liquidation is completed but contingent on its completion.

**(c) Transactions.** The following provisions shall apply to Stock Awards in the event of a Transaction unless otherwise provided in the instrument evidencing the Stock Award or any other written agreement between the Company or any Affiliate and the Participant or unless otherwise expressly provided by the Board at the time of grant of a Stock Award. In the event of a Transaction, then, notwithstanding any other provision of the Plan, the Board shall take one or more of the following actions with respect to Stock Awards, contingent upon the closing or completion of the Transaction:

arrange for the surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company) to assume or continue the Stock Award or to substitute a similar stock award for the Stock Award (including, but not limited to, an award to acquire the same consideration paid to the stockholders of the Company pursuant to the Transaction);

arrange for the assignment of any reacquisition or repurchase rights held by the Company in respect of Ordinary Shares issued pursuant to the Stock Award to the surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company);

accelerate the vesting, in whole or in part, of the Stock Award (and, if applicable, the time at which the Stock Award may be exercised) to a date prior to the effective time of such Transaction as the Board shall determine (or, if the Board shall not determine such a date, to the date that is five days prior to the effective date of the Transaction), with such Stock Award terminating if not exercised (if applicable) at or prior to the effective time of the Transaction;

arrange for the lapse, in whole or in part, of any reacquisition or repurchase rights held by the Company with respect to the Stock Award;

cancel or arrange for the cancellation of the Stock Award, to the extent not vested or not exercised prior to the effective time of the Transaction, in exchange for such cash consideration, if any, as the Board, in its sole discretion, may consider appropriate; and

make a payment, in such form as may be determined by the Board equal to the excess, if any, of (A) the value of the property the Participant would have received upon the exercise of the Stock Award immediately prior to the effective time of the Transaction, over (B) any exercise price payable by such holder in connection with such exercise. For clarity, this payment may be zero (\$0) if the value of the property is equal to or less than the exercise price. Payments under this provision may be delayed to the same extent that payment of consideration to the holders of Ordinary Shares in connection with the Transaction is delayed as a result of escrows, earn outs, holdbacks or other contingencies.

The Board need not take the same action or actions with respect to all Stock Awards or portions thereof or with respect to all Participants. The Board may take different actions with respect to the vested and unvested portions of a Stock Award.

**(d) Change in Control.** A Stock Award may be subject to additional acceleration of vesting and exercisability upon or after a Change in Control as may be provided in the Stock Award Agreement for such Stock Award or as may be provided in any other written agreement between the Company or any Affiliate and the Participant, but in the absence of such provision, no such acceleration will occur.

**PLAN TERM; EARLIER TERMINATION OR SUSPENSION OF THE PLAN.**

The Board may suspend or terminate the Plan at any time. No Incentive Stock Options may be granted after the tenth anniversary of the earlier of (i) the date the Plan is adopted by the Board (the “**Adoption Date**”), or (ii) the date the Plan is approved by the stockholders of the Company. No Awards may be granted under the Plan while the Plan is suspended or after it is terminated.

**EXISTENCE OF THE PLAN; TIMING OF FIRST GRANT OR EXERCISE.**

The Plan will come into existence on the Adoption Date; *provided, however*, that no Award may be granted prior to the IPO Date (that is, the Effective Date). In addition, no Stock Award will be exercised (or, in the case of a Restricted Stock Award, Restricted Stock Unit Award, Performance Stock Award, or Other Stock Award, no Stock Award will be granted) and no Performance Cash Award will be settled unless and until the Plan has been approved by the stockholders of the Company, which approval will be within 12 months after the date the Plan is adopted by the Board.

**CHOICE OF LAW.**

The Plan, all determinations made and actions taken pursuant hereto and, except as provided below or in an applicable subplan, each Award Agreement to a Participant shall be governed by the laws of the State of Israel, excluding matters that are subject to tax laws, regulations and rules, or conflicts or choice of law rule or principles, of any specific jurisdiction, which shall be governed by the respective laws, regulations and rules of such jurisdiction.

**DEFINITIONS.** As used in the Plan, the following definitions will apply to the capitalized terms indicated below:

**(a)** “**Affiliate**” means, at the time of determination, any “parent” or “subsidiary” of the Company as such terms are defined in Rule 405 of the Securities Act. The Board will have the authority to determine the time or times at which “parent” or “subsidiary” status is determined within the foregoing definition.

**(b)** “**Award**” means a Stock Award or a Performance Cash Award.

**(c)** “**Award Agreement**” means a written agreement between the Company and a Participant evidencing the terms and conditions of an Award.

**(d)** “**Board**” means the Board of Directors of the Company.

**(e)** “**Capitalization Adjustment**” means any change that is made in, or other events that occur with respect to, the Ordinary Shares subject to the Plan or subject to any Stock Award after the Adoption Date without the receipt of consideration by the Company through merger, consolidation, reorganization, recapitalization, reincorporation, stock dividend, dividend in property other than cash, large nonrecurring cash dividend, stock split, reverse stock split, liquidating dividend, combination of shares, exchange of shares, change in corporate structure or any similar equity restructuring transaction, as that term is used in Statement of Financial Accounting Standards Board Accounting Standards Codification Topic 718 (or any successor thereto). Notwithstanding the foregoing, the conversion of any convertible securities of the Company will not be treated as a Capitalization Adjustment.

**(f)** “**Cause**” will have the meaning ascribed to such term in any written agreement between the Participant and the Company defining such term and, in the absence of such agreement, such term means, with respect to a Participant, the occurrence of any of the following events: (i) such Participant’s commission of any felony or any crime involving fraud, dishonesty or moral turpitude under the laws of the United States or any state

thereof; (ii) such Participant's attempted commission of, or participation in, a fraud or act of dishonesty against the Company; (iii) such Participant's intentional, material violation of any contract or agreement between the Participant and the Company or of any statutory duty owed to the Company; (iv) such Participant's unauthorized use or disclosure of the Company's confidential information or trade secrets; or (v) such Participant's gross misconduct. The determination that a termination of the Participant's Continuous Service is either for Cause or without Cause will be made by the Company, in its sole discretion. Any determination by the Company that the Continuous Service of a Participant was terminated with or without Cause for the purposes of outstanding Awards held by such Participant will have no effect upon any determination of the rights or obligations of the Company or such Participant for any other purpose.

(g) "**Change in Control**" means the occurrence, in a single transaction or in a series of related transactions, of any one or more of the following events:

any Exchange Act Person becomes the Owner, directly or indirectly, of securities of the Company representing more than 50% of the combined voting power of the Company's then outstanding securities other than by virtue of a merger, consolidation or similar transaction. Notwithstanding the foregoing, a Change in Control will not be deemed to occur (A) on account of the acquisition of securities of the Company directly from the Company, (B) on account of the acquisition of securities of the Company by an investor, any affiliate thereof or any other Exchange Act Person that acquires the Company's securities in a transaction or series of related transactions the primary purpose of which is to obtain financing for the Company through the issuance of equity securities, (C) on account of the acquisition of securities of the Company by any individual who is, on the Adoption Date, either an executive officer or a Director (either, a "**Legacy Investor**") and/or any entity in which a Legacy Investor has a direct or indirect interest (whether in the form of voting rights or participation in profits or capital contributions) of more than 50% (collectively, the "**Legacy Entities**") or on account of the Legacy Entities continuing to hold shares that come to represent more than 50% of the combined voting power of the Company's then outstanding securities as a result of the conversion of any class of the Company's securities into another class of the Company's securities having a different number of votes per share pursuant to the conversion provisions set forth in the Company's articles of association; or (D) solely because the level of Ownership held by any Exchange Act Person (the "**Subject Person**") exceeds the designated percentage threshold of the outstanding voting securities as a result of a repurchase or other acquisition of voting securities by the Company reducing the number of shares outstanding, provided that if a Change in Control would occur (but for the operation of this sentence) as a result of the acquisition of voting securities by the Company, and after such share acquisition, the Subject Person becomes the Owner of any additional voting securities that, assuming the repurchase or other acquisition had not occurred, increases the percentage of the then outstanding voting securities Owned by the Subject Person over the designated percentage threshold, then a Change in Control will be deemed to occur;

there is consummated a merger, consolidation or similar transaction involving (directly or indirectly) the Company and, immediately after the consummation of such merger, consolidation or similar transaction, the stockholders of the Company immediately prior thereto do not Own, directly or indirectly, either (A) outstanding voting securities representing more than 50% of the combined outstanding voting power of the surviving Entity in such merger, consolidation or similar transaction or (B) more than 50% of the combined outstanding voting power of the parent of the surviving Entity in such merger, consolidation or similar transaction, in each case in substantially the same proportions as their Ownership of the outstanding voting securities of the Company immediately prior to such transaction; *provided, however*, that a merger, consolidation or similar transaction will not constitute a Change in Control under this prong of the definition if the outstanding voting securities representing more than 50% of the combined voting power of the surviving Entity or its parent are owned by the Legacy Entities;

there is consummated a sale, lease, exclusive license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries, other than a sale, lease, license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries to an Entity, more than 50% of the combined voting power of the voting securities of which are Owned by stockholders of the Company in substantially the same proportions as their Ownership of the outstanding voting securities of the Company

immediately prior to such sale, lease, license or other disposition; *provided, however*, that a sale, lease, exclusive license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries will not constitute a Change in Control under this prong of the definition if the outstanding voting securities representing more than 50% of the combined voting power of the acquiring Entity or its parent are owned by the Legacy Entities;

the stockholders of the Company approve or the Board approves a plan of complete dissolution or liquidation of the Company, or a complete dissolution or liquidation of the Company will otherwise occur, except for a liquidation into a parent corporation; or

individuals who, on the date the Plan is adopted by the Board, are members of the Board (the “**Incumbent Board**”) cease for any reason to constitute at least a majority of the members of the Board; *provided, however*, that if the appointment or election (or nomination for election) of any new Board member was approved or recommended by a majority vote of the members of the Incumbent Board then still in office, such new member will, for purposes of this Plan, be considered as a member of the Incumbent Board.

Notwithstanding the foregoing definition or any other provision of the Plan, the term Change in Control will not include a sale of assets, merger or other transaction effected exclusively for the purpose of changing the domicile of the Company and the definition of Change in Control (or any analogous term) in an individual written agreement between the Company or any Affiliate and the Participant will supersede the foregoing definition with respect to Awards subject to such agreement; *provided, however*, that if no definition of Change in Control or any analogous term is set forth in such an individual written agreement, the foregoing definition will apply.

**(h)** “**Code**” means the Internal Revenue Code of 1986, as amended, including any applicable regulations and guidance thereunder.

**(i)** “**Committee**” means a committee of one or more Directors to whom authority has been delegated by the Board in accordance with Section 1(f).

“**Company**” means UroGen Pharma Ltd., an Israeli corporation.

**(j)** “**Consultant**” means any person, including an advisor, who is (i) engaged by the Company or an Affiliate to render consulting or advisory services and is compensated for such services, or (ii) serving as a member of the board of directors of an Affiliate and is compensated for such services. However, service solely as a Director, or payment of a fee for such service, will not cause a Director to be considered a “Consultant” for purposes of the Plan. Notwithstanding the foregoing, a person is treated as a Consultant under this Plan only if a Form S-8 Registration Statement under the Securities Act is available to register either the offer or the sale of the Company’s securities to such person.

“**Continuous Service**” means that the Participant’s service with the Company or an Affiliate, whether as an Employee, Director or Consultant, is not interrupted or terminated. A change in the capacity in which the Participant renders service to the Company or an Affiliate as an Employee, Consultant or Director or a change in the entity for which the Participant renders such service, provided that there is no interruption or termination of the Participant’s service with the Company or an Affiliate, will not terminate a Participant’s Continuous Service; *provided, however*, that if the Entity for which a Participant is rendering services ceases to qualify as an Affiliate, as determined by the Board, in its sole discretion, such Participant’s Continuous Service will be considered to have terminated on the date such Entity ceases to qualify as an Affiliate. To the extent permitted by law, the Board or the chief executive officer of the Company, in that party’s sole discretion, may determine whether Continuous Service will be considered interrupted in the case of (i) any leave of absence approved by the Board or chief executive officer, including sick leave, military leave or any other personal leave, or (ii) transfers between the Company, an Affiliate, or their successors. Notwithstanding the foregoing, a leave of absence will be treated as Continuous Service for purposes of vesting in an Award only to such extent as may be provided in the Company’s leave of absence policy, in the written terms of any leave of absence agreement or policy applicable to the Participant, or as otherwise required by law. In

addition, to the extent required for exemption from or compliance with Section 409A of the Code, the determination of whether there has been a termination of Continuous Service will be made, and such term will be construed, in a manner that is consistent with the definition of “separation from service” as defined under Treasury Regulation Section 1.409A-1(h) (without regard to any alternative definition thereunder).

**(k)** “*Corporate Transaction*” the consummation, in a single transaction or in a series of related transactions, of any one or more of the following events:

a sale or other disposition of all or substantially all, as determined by the Board, in its sole discretion, of the consolidated assets of the Company and its Subsidiaries;

a sale or other disposition of more than 50% of the outstanding securities of the Company;

a merger, consolidation or similar transaction following which the Company is not the surviving corporation; or

a merger, consolidation or similar transaction following which the Company is the surviving corporation but the Ordinary Shares outstanding immediately preceding the merger, consolidation or similar transaction are converted or exchanged by virtue of the merger, consolidation or similar transaction into other property, whether in the form of securities, cash or otherwise.

**(l)** “*Covered Employee*” will have the meaning provided in Section 162(m)(3) of the Code.

**(m)** “*Director*” means a member of the Board.

**(n)** “*Disability*” means, with respect to a Participant, the inability of such Participant to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death or that has lasted or can be expected to last for a continuous period of not less than 12 months, as provided in Sections 22(e)(3) and 409A(a)(2)(c)(i) of the Code, and will be determined by the Board on the basis of such medical evidence as the Board deems warranted under the circumstances.

**(o)** “*Effective Date*” means the IPO Date.

**(p)** “*Employee*” means any person employed by the Company or an Affiliate. However, service solely as a Director, or payment of a fee for such services, will not cause a Director to be considered an “Employee” for purposes of the Plan.

**(q)** “*Entity*” means a corporation, partnership, limited liability company or other entity.

**(r)** “*Exchange Act*” means the Securities Exchange Act of 1934, as amended, and the rules and regulations promulgated thereunder.

**(s)** “*Exchange Act Person*” means any natural person, Entity or “group” (within the meaning of Section 13(d) or 14(d) of the Exchange Act), except that “Exchange Act Person” will not include (i) the Company or any Subsidiary of the Company, (ii) any employee benefit plan of the Company or any Subsidiary of the Company or any trustee or other fiduciary holding securities under an employee benefit plan of the Company or any Subsidiary of the Company, (iii) an underwriter temporarily holding securities pursuant to a registered public offering of such securities, (iv) an Entity Owned, directly or indirectly, by the stockholders of the Company in substantially the same proportions as their Ownership of stock of the Company; or (v) any natural person, Entity or “group” (within the meaning of Section 13(d) or 14(d) of the Exchange Act) that, as of the Effective Date, is the Owner, directly or indirectly, of securities of the Company representing more than 50% of the combined voting power of the Company’s then outstanding securities.

(t) “**Fair Market Value**” means, as of any date, the value of the Ordinary Shares determined as follows:

If the Ordinary Shares are listed on any established stock exchange or traded on any established market, the Fair Market Value of an Ordinary Share will be, unless otherwise determined by the Board, the closing sales price for such stock as quoted on such exchange or market (or the exchange or market with the greatest volume of trading in the Ordinary Shares) on the date of determination, as reported in a source the Board deems reliable.

Unless otherwise provided by the Board, if there is no closing sales price for the Ordinary Shares on the date of determination, then the Fair Market Value will be the closing selling price on the last preceding date for which such quotation exists.

In the absence of such markets for the Ordinary Shares, the Fair Market Value will be determined by the Board in good faith and in a manner that complies with Sections 409A and 422 of the Code.

(u) “**Incentive Stock Option**” means an option granted pursuant to Section 0 of the Plan that is intended to be, and qualifies as, an “incentive stock option” within the meaning of Section 422 of the Code.

(v) “**IPO Date**” means the date of the underwriting agreement between the Company and the underwriter(s) managing the initial public offering of the Ordinary Shares, pursuant to which the Ordinary Shares are priced for the initial public offering.

(w) “**Non-Employee Director**” means a Director who either (i) is not a current employee or officer of the Company or an Affiliate, does not receive compensation, either directly or indirectly, from the Company or an Affiliate for services rendered as a consultant or in any capacity other than as a Director (except for an amount as to which disclosure would not be required under Item 404(a) of Regulation S-K promulgated pursuant to the Securities Act (“**Regulation S-K**”)), does not possess an interest in any other transaction for which disclosure would be required under Item 404(a) of Regulation S-K, and is not engaged in a business relationship for which disclosure would be required pursuant to Item 404(b) of Regulation S-K; or (ii) is otherwise considered a “non-employee director” for purposes of Rule 16b-3.

(x) “**Nonstatutory Stock Option**” means any Option granted pursuant to Section 0 of the Plan that does not qualify as an Incentive Stock Option.

(y) “**Officer**” means a person who is an officer of the Company within the meaning of Section 16 of the Exchange Act.

(bb) “**Optionholder**” means a person to whom an Option is granted pursuant to the Plan or, if applicable, such other person who holds an outstanding Option.

(cc) “**Ordinary Shares**” means the Ordinary Shares of the Company, par value NIS 0.01 per Ordinary Share.

(dd) “**Other Stock Award**” means an award based in whole or in part by reference to the Ordinary Shares which is granted pursuant to the terms and conditions of Section 1(ee).

**(ee)** “*Other Stock Award Agreement*” means a written agreement between the Company and a holder of an Other Stock Award evidencing the terms and conditions of an Other Stock Award grant. Each Other Stock Award Agreement will be subject to the terms and conditions of the Plan.

**(ff)** “*Outside Director*” means a Director who either (i) is not a current employee of the Company or an “affiliated corporation” (within the meaning of Treasury Regulations promulgated under Section 162(m) of the Code), is not a former employee of the Company or an “affiliated corporation” who receives compensation for prior services (other than benefits under a tax-qualified retirement plan) during the taxable year, has not been an officer of the Company or an “affiliated corporation,” and does not receive remuneration from the Company or an “affiliated corporation,” either directly or indirectly, in any capacity other than as a Director, or (ii) is otherwise considered an “outside director” for purposes of Section 162(m) of the Code.
